History of Magic and Experimental Science: The First ...
The History of Magic and Experimental Science. Volume 1 of Eight. This (along with the second) is "The First Thirteen Centuries." After a month or so, I'm placing it on the hiatus shelf, although perhaps it should go on the abandoned shelf. I don't know. I like to imagine that I'll someday return to it.

History of Magic and Experimental Science: The First ...
Overview. Excerpt from A History of Magic and Experimental Science, During the First Thirteen Centuries of Our Era, Vol. 2. Hugh's attitude to history is interesting to note in pass ing. In his classification of the sciences he does not assign it a distinct place as he does to economics and politics, but he shows his inchoate sense of the importance of the histpry of science and of thought by attempting a list of the found ers Of the various arts and sciences.1 In this connection he adopts ...

Lynn Thorndike - Wikipedia
Lynn Thorndike - A History Of Magic And Experimental Science (46.1 MB) Lynn Thorndike's History of Magic and Experimental Science, in 8 volumes, is still the premier reference work for the history of magic in the west. The first 2 volumes cover late antiquity through the 13th century, and volumes 3-4 cover the 14-15th century. These are strong volumes, copiously researched and well-indexed, and a major source for work on the period.
