Secondary audience: the book will serve as a reference source for researchers and other professionals in environmental engineering and all areas of aquatic chemistry.

When Ohio governor John Kasich ran for president, his powerful message of hope and togetherness struck a chord with American voters. In Two Paths: America Divided or United, he carries that message forward by reflecting on the tumultuous 2016 campaign, sharing his concerns for America and his hopes for our future, and sounding a clarion call to reason and purpose, humility and dignity, righteousness and calm. “[The country never looked so grand and magnificent as it did from ten thousand feet.]He writes of his time on the campaign trail, [and it was always a thrilling, faith-affirming thing to look out our window and see the sun splashing across Bryce Canyon in Utah, or the lights of the New York skyline at night as we flew past the Statue of Liberty, or an open field in the heartland that ran as far as our eyes could see.... Ed look out and think what an honor it would be to lead this great nation, what a blessing.] To be sure, the full story of the 2016 Presidential race will be written over time, but to understand what it was to be on the front lines of one of the most divisive and corrosive campaign battlegrounds in history, readers won’t find a richer, more thoughtful firsthand account than this one.a frank, refreshing assessment of the American dynamic and a clear path we might follow toward a more promising tomorrow. As Governor Kasich reminds us in these pages, America is great because America is good[and because Americans have stayed true to who we are: one nation, under God, indivisible.

Predator 500, 2003-2007; Predator 500 (Troy Lee Designs) 2005-2006

Contains papers presented at the Air Force Historical Foundation Symposium, held at Andrews Air Force Base, Maryland, on September 21-22, 1995. Includes notes, abbreviations & acronyms, an index, and photographs.

Feel like somebody hit the brakes on your Diesel Brothers cravings? Discover how you can keep the gas going with this rip-roaring ride behind the scenes of Discovery Channel's popular series Diesel Brothers. In the world of monster trucks, no one builds bigger and more extreme rides[and has more fun in the process]than Heavy D, Diesel Dave, and their crew at DieselSellerz. Their larger-than-life creations and awesome truck giveaways are legendary, but for those less fortunate who haven't had the opportunity to experience a Bros' souped-up truck, this thrill-ride of a book is the next best thing. Learn the epic and inspirational stories behind Heavy D and Diesel Dave's business and personal lives, from the guys' first meeting, to their early adventures building DieselSellerz, to their successful business venture with Redbeard, Muscle, and the rest of the fearless staff. In addition to learning about the Bros' two-year Mormon missions, humble beginnings, and world travels, you'll also get the unforgettable details of their hilarious, most well-known pranks, and the remarkable stories behind the personalities that have made Diesel Brothers one of the fastest growing and most popular reality TV shows. But wait!there's more! The book is chock full of essential advice for anyone who'd like to get in on the action. Whether you're a die-hard monster truck fan or just looking for inspiration to upgrade that piece of junk in your garage, Heavy D and his crew are here to show you how it's done. You'll learn how to find the best bargain in the junkyard, how to play hardball with tough-talking dealers, and how to turn that sad sack heap of parts into a badass diesel vehicle. What are you waiting for? Get out there and let diesel freedom ring!

"This book offers an introduction to the philosophical issues of criminal justice ethics in a way suitable for students of criminology and criminal justice. It links philosophical concepts with empirical research in criminology and introduces criminal justice ethics, in the context of political and legal order"--
