From generation to generation, many Christians have adopted the habit of praying every month through all 150 psalms—songs that form the bedrock of both corporate worship and individual devotion. Through thousands of years of memorization, recitation, and singing, the people of God have found in this book a God-centered view of reality—words that put into perspective all our emotions, conflicting desires, times of suffering, and experiences of faith and doubt. In *Psalms in 30 Days*, Trevin Wax has adapted a centuries-old approach to reading the psalms by providing a "Morning," "Midday" and "Evening" pattern—following the Scriptural precedent for praying three times a day. This journey through the psalms, as translated in the Christian Standard Bible® (CSB), also features other songs from the Bible, as well as written prayers from faithful Christians who have gone before us. Here is a guide to praying all the psalms every month by—three times a day—lifting your eyes above your circumstances and reminding yourself that God is the blazing center of all things. *Psalms in 30 Days* features the highly readable, highly reliable text of the Christian Standard Bible® (CSB). The CSB stays as literal as possible to the Bible's original meaning without sacrificing clarity, making it easier to engage with Scripture's life-transforming message and to share it with others.
