From the earliest moments of the movement, Franciscans have seen education as a vital way of embodying and sharing the good news of God's action in our world. The following characteristics identify ways in which Franciscan education seeks to form persons and build a better world. While some institutions may emphasize one or other characteristics, all seek to incorporate these values.

History of the Goals. The fullest and most far-reaching expression of how the institution has articulated the vision of Franciscan values which was lived by its founding brothers came in the fall of 1991. After some time of reflection the President, Fr. Christian Oravec, proposed a series of "Goals of Franciscan Higher Education at Saint Francis College," which "Saint Francis College...strives to incorporate...into the life and work of the community."
