In many ways 'A Short Stay in Hell' is one of the most economical horror stories since H.P. Lovecraft's At the Mountains of Madness. From time to time, this book seemed to also echo Edgar Allen Poe and Dan Simmons. And, least you think I've gone completely out of my mind, 'A Short Stay in Hell' isn't perfect.

A Short Stay in Hell. What fresh hell is this? Actually, Peck ' s take on the underworld is quite fresh and not at all what I was expecting. Now, if you ' d told me that hell was a library where the books were unreadable, I ' d say that was some Saw-level torture porn.

Review A girl's letters to her best friend reveal two lives derailed by anorexia in this haunting debut that's Laurie Halse Anderson's *Wintergirls* meets *The Sixth Sense*. Zoe knows she doesn't belong in a hospital—so why is she in one? Twin Birch isn't just any hospital. It's a strange mansion populated by unnerving staff and glassy-eyed patients. It's a place for girls with serious problems; skinny, spindly girls with eating disorders who have a penchant for harming themselves. Zoe isn't like them. And she can't figure out why she was sent here. Writing letters to her best friend Elise keep her sane, grounded in the memories of her past—but mired in them, too. Elise never writes back. Zoe is lost without her, unsure of how to navigate tenuous new friendships and bizarre rules without Elise by her side. But as her letters intertwine with journal entries chronicling her

mysterious life at Twin Birch, another narrative unfolds. The hidden story of a complicated friendship; of the choices we make, the truths we tell others, and the lies we tell ourselves. The story of a friendship that has the potential to both save—and damage beyond repair. And Zoe finds she must confront the truth about her past once and for all, before she can finally let go. Nora Price ' s debut young adult book is a heart-wrenching meditation on the bonds of friendship with a gripping psychological twist.

Think adolescence is hell? You have no idea... Welcome to Dante's Inferno, by way of The Breakfast Club, from the mind of American fiction's most brilliant troublemaker. "Death, like life, is what you make out of it." So says Madison, the whip-tongued 11-year-old narrator of Damned, Chuck Palahniuk's subversive homage to

the young adult genre. Madison is abandoned at her Swiss boarding school over Christmas while her parents are off touting their new film projects and adopting more orphans. Over the holidays she dies of a marijuana overdose--and the next thing she knows, she's in Hell. This is the afterlife as only Chuck Palahniuk could imagine it: a twisted inferno inspired by both the most extreme and mundane of human evils, where *The English Patient* plays on repeat and roaming demons devour sinners limb by limb. However, underneath Madison's sad teenager affect there is still a child struggling to accept not only the events of her dysfunctional life, but also the truth about her death. For Madison, though, a more immediate source of comfort lies in the motley crew of young sinners she meets during her first days in Hell. With the help of Archer, Babette, Leonard, and Patterson, she

learns to navigate Hell--and discovers that she'd rather be mortal and deluded and stupid with those she loves than perfect and alone.

The “ highly entertaining and thoroughly reprehensible ” #1 New York Times bestseller—now with sixteen pages of photos and a new introduction (The New York Times). My name is Tucker Max, and I am an asshole. I get excessively drunk at inappropriate times, disregard social norms, indulge every whim, ignore the consequences of my actions, mock idiots and posers, sleep with more women than is safe or reasonable, and just generally act like a raging dickhead. But, I do contribute to humanity in one very important way: I share my adventures with the world. --from the Introduction Actual reader feedback: "I find it truly appalling that there are people in the world like you.

You ' re an artist of the highest order and a true humanitarian to boot. I'm in both shock and awe at how much I want to be you."
