Activities Of Boko Haram And
Boko Haram, Islamic sectarian movement founded in 2002 in northeastern Nigeria. Since 2009 the group has carried out large-scale acts of violence. In 2015 the group began calling itself Islamic State in West Africa; later, after a split, one faction kept that name while the other reverted back to the original name.

Boko Haram frequently attacks churches and mosques. Through 2014, Boko Haram targeted churches more often than mosques.

Boko Haram analyzes the activities and atrocities of Nigeria ' s Jihadi terrorist group, Boko Haram, in the context of global religious fundamentalism and extremism. The book traces the early beginnings of the religious sect,

Read Free Activities Of Boko Haram And Insecurity

the conversion of its leader to radical Islam in 2002, and the group ' s campaign of violence beginning in 2009 and continuing to the present. The group ' s attacks against a variety of targets are examined in detail as are their general tactics and strategies. The Nigerian government response is also examined in order to provide critical lessons to counterterrorism planners, policy and government officials, and scholars. The initial military response was hampered by capability and legislative constraints including a lack of arms and ammunition, a lack of modern counterterrorism equipment, training gaps, leadership issues, intelligence gaps, politicization of the conflict,

forbidden, claims to be on a mission to Islamize the Nigerian State. Prima facie, Boko Harams motivations appeared to be religious; however considering factors as dismal socio-economic conditions that prevail in the Northern region, the epicenter of the sect, a religious explanation alone is reductive. More so, relevant and related literature was reviewed using conceptual and theoretical approaches. A threefold theoretical framework constituting of Marxian, Relative deprivation, and Frustration aggression respectively were adopted to explain the phenomenon. Unlike other authors who have hinged the operations of the sect to a kind of political undertone; this study deems fit to establish the poor

Socio economic conditions

especially in the North eastern region which have been serving as a veritable ground for the sect quest to gradually dethrone the legitimacy of the Nigerian State. This study also exposes the extent of the damage further caused by the sect violent operations as well as the suitability of the "carrot and stick" strategies or policies in dealing with the sect negative impact. Hence, this study employs secondary source of data from library materials, newspapers, journals, articles and so on. The findings revealed that the strategies of Nigerian government failed because she failed to address adequately the socio-economic factors that equipped the sect such as unemployment,

poverty, corruption/bad leadership, poor economy structure. The research further exposed that the strategy used in curtailing militancy in the Niger Delta region of Nig

Engaging Extremists concerns negotiation with political terrorist organizations, separating terrorist groups that can be engaged from those that, for the moment, cannot.

This book places the insurgent group Boko Haram, which has terrorised northeastern Nigeria through the last six years, in an historical and cultural context. It examines cultural changes in the lands south of Lake Chad through deep time, showing how these ancient processes can help us

Read Free Activities Of Boko Haram And Insecurity

thinkabout Boko Haram's activities in the present. The archaeological and documentary record for this area is unusually rich for sub-Saharan Africa, and allows us to understand Boko Haram within an historical narrative that stretches back directly five centuries, with cultural origins that stretch evendeeper into the past. One important way to understand Boko Haram is as a frontier phenomenon, the most recent manifestation of processes of horrific violence, identity production and wealth creation that have been part of political relationships in this area of Central Africa through the last millennium. In strikingways, Boko Haram resembles the slave-raiders and warlords who figure in precolonial

Read Free Activities Of Boko Haram And Insecurity

and colonial writings about the southern Lake Chad Basin. In modern times, these accounts are paralleled by the activities of smugglers, bandits (coupeurs de route, "road cutters") and tax evaders, illegal actors who stand in complex relationships to the governments of modern African nation-states. The borderlands of these states are often places where the state refuses to exercise its full authority, because of the profits and opportunities that illegal and semi-legal activities afford, among others to state officials and bureaucrats. For local people, Boko Haram's actions are thus to a great extent understood in terms of slave-raids and borderlands. Those actions are not some mysterious,

Unprecedented eruption of violence and savagery: they can be understood within local contexts of politics and history. This book is written to counter exoticised portrayals of Boko Haram's activities, and of the region as a whole.

"Thurston has written the definitive history of Boko Haram. By weaving a complex tapestry of politics and religion, he explains the peculiarity and potency of one of the world's most lethal jihadist insurgencies. A violent and secretive sect that was impenetrable even to experts is now laid bare."--William McCants, author of *The ISIS Apocalypse*.

This book investigates the

devastating impacts of the Boko Haram terrorist campaign in Nigeria, reflecting on the group ' s historical context, organizational dynamics, and emerging trajectories. Since its inception in 2002, Boko Haram ' s terrorist campaign has become one of the major threats to security and human development in West Africa, killing tens of thousands of people, and displacing many more. This book reflects on the origins and development of Boko Haram, contextualizing it in the global trend of militant Islamist movements. It delves into the tactics of the organisation, their deployment of sexual and gender-based violence against women and human rights abuses in the war against them. The war against

Boko Haram has seen engagement from the international community, national and regional military operations, and also a range of civilian-led movements. This book reflects on the roles of these different actors, and the emerging trajectories that need to be considered in order to eradicate Boko Haram. Drawing on a range of disciplinary perspectives, this book will be of interest to researchers across the fields of sociology, political science, African studies, and peace and conflict studies.

University Dutse, course: Political Science, language: English, abstract: This work focuses on the relationship between terrorism and the Nigerian economy. It represents an assessment of the Boko Haram insurgency. The impact of the activities of the dreaded Boko Haram has brought physical, psychological and economic damage to Nigeria and has become a threat to the entire nation. It is against this background that the study examines the impact of Boko Haram insurgency on the economy of the affected states in Nigeria. The study is a literature based research and therefore descriptive in structure. Basically, secondary data that is used in this research includes relevant text books,

Read Free Activities Of Boko Haram And Insecurity

magazines, archival materials, published and unpublished works, journals, newspapers and internet materials, all of which the researcher thoroughly explored for critical examination and analytical insight. The data collected is analyzed using a framework of content analysis and simple percentage. Findings from the study indicate that the atrocities of Boko Haram have severe implications on the economy and social lives of the people of the northeast where the activities of the sect is concentrated. The study recommends that anybody that has links with the sect should face the law and government should develop a strong political will to fighting the scourge.

they involve? Each of the following six chapters covers a different step in the process of talking to groups that use terror: * assess the potential for talks * design a strategy for engagement * open channels of communication * foster commitment to the process * facilitate negotiations * and protect the process from the effects of violence This handbook is part of the series the Peacemaker s Toolkit, which is being published by the United States Institute of Peace. For twenty-five years, the United States Institute of Peace has supported the work of mediators through research, training programs, workshops, and publications designed to discover and disseminate the keys to effective mediation. The Institute

Read Free Activities Of Boko Haram And Insecurity

mandated by the U.S. Congress to help prevent, manage, and resolve international conflict through nonviolent means has conceived of The Peacemaker s Toolkit as a way of combining its own accumulated expertise with that of other organizations active in the field of mediation. Most publications in the series are produced jointly by the Institute and a partner organization. All publications are carefully reviewed before publication by highly experienced mediators to ensure that the final product will be a useful and reliable resource for practitioners."
