Today, American CEOs are paid 278
times the typical worker. Not
surprisingly, American workers are far
less unionized than workers in other
industrialized economies. Only 10.2
percent of all workers in America
belong to a union, compared with
more than 26% in Canada, 65% in
Sweden, and 23% in Britain.

The name America is derived from that of the Italian navigator Amerigo Vespucci, one of the earliest European explorers of the New World. The term America originally was applied only to South America, but the designation soon was applied to the entire landmass. Because Mexico and Central America share an Iberian heritage with nearly all of South America, this entire region frequently is grouped ...
