This book pioneers a new state of the art for conducting research on the form, wording, and context of questions asked in attitude surveys.

Every person in the universe wants to hear YES! Every business and sales winner wants to hear one word: YES! Having and maintaining a YES! Attitude that's powerful enough to help anyone achieve the impossible is possible. When you've got a YES! Attitude, you assume everything will start with "YES!" ...and you'll find a way to "YES!" even when the first, second, and third answer you hear is "NO!" You say you weren't born with a YES! Attitude? No problem! Jeffrey Gitomer will give you all the tools you need to build one and maintain it for a lifetime. As the world's #1 expert in selling (and the author of the best-sellers Little Red Book of Selling and The Sales Bible), Gitomer knows more about attitude than anyone alive today. Now he's brought those lessons together in a book you can read in one sitting... a book that'll change your life! What makes this book for you? It's not just "inspiration": it's a complete, step-by-step, fully-integrated game plan for understanding and mastering your attitude. You'll learn the 7.5 specific things you can do to maintain your intensity, drive, and commitment... discover 20.5 "attitude gems" that capture the value of thousands of dollars of books and courses... learn how to overcome the 10.5 most dangerous "attitude busters"... then learn how to maintain your YES! Attitude every day, for the rest of your life! Don't just read this book once: study it, live it -- and win.

The paradigm shift in the field of education focuses on the development of life skills, attitudes and values. This was the prime focus which made us divide this series into two themes: LIFE SKILLS and ATTITUDES & VALUES. Each theme strongly voices out in three levels - beginners, the avid readers and the experts making it a six book series. The book "Breathing in Bodhi - the General Awareness/ Comprehension book - Attitude & Values / Level 2 for the avid readers" is the second of the three books based on the Attitude & Values theme. The book contains 30 fascinating stories about People, Places, Events, Ideas and Issues. The stories are further based on Attitude & Values - 15 each on Attitude and Values. The book aims at enhancing the comprehension skills along with augmenting the general awareness of children leading to the development of the Attitude & Values. The book is an honest attempt to trigger the young minds to think, explore and relate to the world around them. It makes them THINK, COMPREHEND AND ANALYSE. The articles given for the comprehension purpose are actually in sync to the real world. Each story has been elaborately discussed and is analysed by the following tools: Wordsmith - aims at developing the vocabulary and contextual usage of words. Finding the Fact - aims at developing the comprehension skills. Extra Inning - gives an opportunity to the reader to explore the extra information related to the story. Reality Check - a platform to create opinions about the various issues related to the story. Only when the reader is in a position to generate thoughts/ opinions about a given situation/ issue then only he is in a position to provide a real solution model. This series is a must have for people who not only want to build in their reading habit and develop their vocabulary but also want to enroot an eye for comprehending, analyzing and transforming their approach from problem finders towards becoming PROBLEM SOLVERS by reinforcing the power of Attitude & Values.
