An ingeniously witty novel about the risks-and rewards-of opening your life to new people by Amazon Charts bestselling author Camille Pagán. No new people: that's Annie Mercer's vow. It's bad enough that her boss sabotaged her chemistry career and her best friend tried to cure her with crystals. But after her fiancé, Jon, asks for space while he's gallivanting around Paris, Annie decides she needs space too-from everyone. Yet when Harper moves in next door, Annie can't help but train a watchful eye on the glamorous but fragile young woman. And if keeping Harper safe requires teaming up with Mo, a maddeningly optimistic amateur detective, who is she to mind her own business? Soon Annie has let not one but two new people into her life. Then Jon reappears-and he wants her to join him in France. She's pretty sure letting anyone get close won't end well. So she must decide: Is another shot at happiness worth the risk?

Queen's Hunt is the second title in Beth Bernobich's River of Souls novels, following her startling debut, Passion Play. Filled with dark magic and sensual images, this is fantasy writing at its best. Ilse Zhalina has left to start a new life in a garrisoned fort, leagues from her estranged lover, Raul Kosenmark. The violent quarrel that ended Ilse and Raul's relationship was quite public. And also, quite fake. They hope to mislead Kosenmark's enemies so that he can continue to influence the politics of the kingdom in an attempt to stave off an ill-advised war, while keeping Ilse safe from royal assassins who would kill anyone Raul is close to. Ilse longs for Raul, but is set on her own quest to find one of the three fabled jewels of Lir. One of the jewels is held by King Dzavek, sworn enemy of Veraene, who has used the jewel's power to live for centuries. Ilse seeks one of the other stones to counterbalance Dzavek's efforts to destroy her country. In her search, she encounters a shipwrecked prisoner from another land, a woman who has a secret of her own...and the second jewel in her keeping. The two women become allies in their quest for the third jewel, because finding and controlling these stones could mean salvation for both of their nations. And their failure the ruin of their peoples. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Describes different types of floors and floor coverings, offers selection advice, and provides step-by-step installation instructions

Excerpt from The Coronation Souvenir: June 1911 A few years ago an internal-combustion motor tractor was a scarcity. To - day a trip through Western Canada brings hundreds of them into view, every one of them making money for the owners. No machine introduced to the Canadian farmer has ever met the instant popularity which has come to the gasoline tractor. This popularity is rightly deserved. For no one machine has done more to make possible the great wheat crops which have given Western Canada the name, The Breadbasket of the World. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

If you can build websites with CSS and JavaScript, this book takes you to the next level—creating dynamic, database-driven websites with PHP and MySQL. Learn how to build a database, manage your content, and interact with users. With step-by-step tutorials, this completely revised edition gets you started with expanded coverage of the basics and takes you deeper into the world of server-side programming. The important stuff you need to know: Get up to speed quickly. Learn how to install PHP and MySQL, and get them running on both your computer and a remote server. Gain new techniques. Take advantage of the all-new chapter on integrating PHP with HTML web pages. Manage your content. Use the file system to access user data, including images and other binary files. Make it dynamic. Create pages that change with each new viewing. Build a good database. Use MySQL to store user information and other data. Keep your site working. Master the tools for fixing things that go wrong. Control operations. Create an administrative interface to oversee your site.

Libby Miller has always been an unwavering optimist--but when her husband drops a bomb on their marriage the same day a doctor delivers devastating news, she realizes her rose-colored glasses have actually been blinding her. With nothing left to lose, she abandons her life in Chicago for the clear waters and bright beaches of the Caribbean for what might be her last hurrah. Despite her new sunny locale, her plans go awry when she finds that she can't quite outrun the past or bring herself to face an unknowable future. Every day of tropical bliss may be an invitation to disaster, but with her twin brother on her trail and a new relationship on the horizon, Libby is determined to forget about fate. Will she risk it all to live-and love--a little longer? From critically acclaimed author Camille Pagán comes a hilarious and hopeful story about a woman choosing between a "perfect" life and actually living.

Honesty is the best policy...except maybe when it comes to marriage in this brilliant, funny novel about the high price of perfection from bestselling author Camille Pagán. Wife. Mother. Breadwinner. Penelope Ruiz-Kar is doing it all--and barely keeping it together. Meanwhile, her best friend, Jenny Sweet, appears to be sailing through life. As close as the two women are, Jenny's passionate marriage, pristine house, and ultra-polite child stand in stark contrast to Penelope's underemployed husband, Sanjay, their unruly brood, and the daily grind she calls a career. Then a shocking tragedy reveals that Jenny's life is far from perfect. Reeling, Penelope vows to stop keeping the peace and finally deal with the issues in her relationship. So she comes up with a radical proposal for Sanjay: both will write a list of changes they want each other to make--then commit to complete and total honesty. What seems like a smart idea quickly spirals out of control, revealing new rifts and even deeper secrets. As Penelope stares down the possible implosion of her marriage, she must ask herself: When it comes to love, is honesty really the best policy?
