A student-friendly resource that teaches the reading and writing techniques required for the Cambridge IGCSE, as well as providing two bespoke units on speaking and listening techniques, plus embedded activities on these skills throughout. It includes carefully designed activities on a variety of engaging topics, set out in 14 lively, full-colour units. A dedicated microsite for Cambridge First Language English provides free online resources to support the course, including answers to the Coursebook activities.

Written by a teacher with more than 25 years of experience, this book offers a jargon-free view of Waldorf education and its philosophy of the importance of a three-dimensional education. Through learning experiences that involve all of the senses, children use a variety of intelligences to develop thought, feeling, and intentional, purposeful activity. Whether you're Waldorf parent or teacher, or you just want to learn more about these innovative educational concepts, this book contains important ideas on learning that you can apply today.
