This is a very useful book for those wanting to teach children chess. I have bought a copy for each of my two grandchildren. The book includes many small games, activities, which teach how chess pieces move. For example they can play 4 pawns against 4 pawns; you win if you capture all your opponent's pawns or get one of yours across first.

Bought this off bookdepository.com due to promotional pricing about 6 months ago for my 4+ yo son who just picked up chess. It was a fabulous buy! My son was hooked onto it and loved it. He goes through the book quickly then went through it a second and third time slowly with each exercise/puzzle. He loves the stickers that come with the book.
