Valuable tools for study or scholarship. Taking a telescopic view of the Bible, Exploring the Old Testament Book by Book and Exploring the New Testament Book by Book enable readers to see the big picture behind this Book of books, to

Where To Download Commentary And

see how the various parts of Scripture relate to one another. These volumes from gifted expositor John Phillips teaches the importance of taking a few steps back from Scripture in order to gain fresh insight into the message, meaning, and art of the Bible.
