skills used in these cases. Professional practice of guidance and counselling (i.e. using counselling skills) without theory is blind and theory ...

Q5a Describe how counselling theory underpins the use of ...

The third key element of person-centered counseling is unconditional positive regard, including prizes. This means the counselor accepts the clients unconditionally and non-judgementally. Within the framework of the person-centered approach to counseling, the client is given the knowledge of the power and tools they already possess to take responsibility for their own lives and health .

Counselling Skills and Theory 4th Edition is the required reading for my counselling module at university and I have found it to be a very good book overall. It isn't very detailed or in-depth, but it gives you a good grounding and basic understanding enabling you to go away and do independent learning from other resources.

Perhaps the three main approaches are psychodynamic, humanistic and behavioural. Each of these has a different theory and ideas underpinning it, and the therapists and counsellors using each will approach problems and issues in different ways. These three main approaches each support a number of individual therapies.
