Boekverslag Nederlands De overgave door Arthur Japin ...

In November 2007, an opera based on the novel premiered in Rotterdam, with an English libretto by Arthur Japin and music by the British composer Jonathan Dove. His second book, *De droom van de leeuw* (2002), is a novelized version of his relationship with the Dutch actress and novelist Rosita Steenbeek in Rome, where Steenbeek became the last lover of the Italian director Federico Fellini.

Texas 1836 - een groep jonge Comanche-indianen overvalt het fort van de pioniersfamilie Parker. Granny, de moeder van het gezin, moet toezien hoe haar kinderen en kleinkinderen worden ontvoerd. Moeder Granny is de enige overlevende die achterblijft. Veertig jaar later krijgt de dan hoogbejaarde Granny bezoek van Quanah, de aanvoerder van de door haar zo gehate Comanche. Hij is op weg om zich over te geven en zijn verslagen volk voor altijd in het reservaat te leiden. Hiermee wordt, na bijna vierhonderd jaar, de onderwerping van de oorspronkelijke bewoners van Amerika een feit. De overgave vertelt het aangrijpende en

onvoorstelbare leven van een vrouw die in het gevecht om haar kinderen en kleinkinderen uiteindelijk het machtigste wapen moet leren hanteren: vergeving.

Lucia works as a servant girl in Italy and is engaged to be married. But after the pox disfigures her face, she flees in shame without telling her lover. Years later, as a reknowned Amsterdam courtesan who never goes out without her veil, Lucia is at the theater when she recognizes her long-lost fiancé, Giacomo Casanova; and she cannot resist the opportunity to encounter him again. Based on a woman who appeared briefly in Casanova's legendary diaries, Lucia emerges as a brilliant

Bookmark File PDF De Overgave Arthur Japin

woman who becomes every bit his match. In Lucia's Eyes is an elegant and moving story of love denied and transformed.

"The first ten years of my life I was not black." Thus begins this startlingly eloquent and beautiful tale based on the true story of Kwasi Boachi, a 19th-century African prince who was sent with his cousin, Kwame, to be raised in Holland as a guest of the royal family. Narrated by Kwasi himself, the story movingly portrays the perplexing dichotomy of the cousins' situation: black men of royal ancestry, they are subject to insidious bigotry even as they enjoy status among Europe's highest echelons. As their lives wind down different

paths—Kwame back to Africa where he enlists in the Dutch army, Kwasi to an Indonesian coffee plantation where success remains mysteriously elusive—they become aware of a terrible truth that lies at the heart of their experiences. Vivid, subtle, poignant and profound, *The Two Hearts of Kwasi Boachi* is an exquisite masterpiece of story and craft, a heartrending work that places Arthur Japin on a shelf that includes Joseph Conrad, J.M. Coetzee, Kazuo Ishiguro and Nadine Gordimer.

Award-winning novelist and poet Gayle Brandeis's wrenching memoir of her complicated family history and her mother's suicide
Gayle Brandeis's mother disappeared just after Gayle gave birth to her youngest child. Several days later, her body was found: she had hanged herself in the utility closet of a Pasadena parking garage. In this searing, formally inventive memoir, Gayle

Bookmark File PDF De Overgave Arthur Japin

describes the dissonance between being a new mother, a sweet-smelling infant at her chest, and a grieving daughter trying to piece together what happened, who her mother was, and all she had and hadn't understood about her. Around the time of her suicide, Gayle's mother had been working on a documentary about the rare illnesses she thought ravaged her family: porphyria and Ehlers-Danlos syndrome. In *The Art of Misdiagnosis*, taking its title from her mother's documentary, Gayle braids together her own narration of the charged weeks surrounding her mother's suicide, transcripts of her mother's documentary, research into delusional and factitious disorders, and Gayle's

Bookmark File PDF De Overgave Arthur Japin

own experience with misdiagnosis and illness (both fabricated and real). Slowly and expertly, *The Art of Misdiagnosis* peels back the complicated layers of deception and complicity, of physical and mental illness in Gayle's family, to show how she and her mother had misdiagnosed one another. Gayle's memoir is both a compelling search into the mystery of one's own family and a life-affirming story of the relief discovered through breaking familial and personal silences. Written by a gifted stylist, *The Art of Misdiagnosis* delves into the tangled mysteries of disease, mental illness, and suicide and comes out the other side with grace.

Rudolf leaves his comfortable origins in Delft by ship for Java to help run the family's estates there. He moves from plantation to plantation, attempting to understand the ways of the local peoples, their version of Islam and their relationship to their land. On a visit to the capital, Jakarta, he falls in love with a teenage girl, Jenny, who he courts surreptitiously via his sister, with grave consequences for the reality of their relationships. Eventually they marry, and make a hard colonist-couple's life theirs, bear, lose and raise children, before Jenny on her visit to the home country discovers all the comforts of which she has been deprived in Java. Back at the plantation homestead, as the
