This updated edition of the combination textbook and workbook is designed as an introduction to Spanish for classroom use. The emphasis is on oral proficiency--conversational speaking and listening comprehension--but the authors also present detailed instruction in the fundamentals of Spanish grammar, vocabulary, reading comprehension, and writing in Spanish. The book is filled with exercises and answers, true-to-life dialogues, illustrations of Hispanic art, and photos that capture the flavor of Spanish culture in Spain and Latin America. In this new edition, the vocabulary sections and readings have been updated to include the latest technology, while the cultural sections now include information about the Hispanic individuals currently making a splash on the world scene.
