~~Is 'encouraging the heart' a leadership approach that's ...~~
Leading with the Heart. I believe that one of the most important jobs of a leader is to encourage their team members. They may do so by leading with the heart. Encouragement goes a long way in keeping team members motivated and is a powerful intangible reward that all leaders have at their disposal. Some leaders think that high functioning people do not need encouragement.

Because leaders influence others, a leader's sincerity is essential to his ability to influence. Leaders can augment their influence through five leadership practices, including modeling the way, inspiring a shared vision, enabling others to act, challenging the process, and encouraging the heart. Leaders have a tremendous opportunity to expand dignity, respect, and value and legitimately make the world a better place.
