"Basic English Grammar is a classic developmental skills text for beginning students of English as a second or foreign language."--P. [4] of cover.

Presents a collection of activities to help foriegn students learn English.

Using a time-tested approach that has helped millions of students around the world, Fundamentals of English Grammar blends direct grammar instruction with carefully sequenced practice to developspeaking, writing, listening, and reading skills. The fifth edition has been extensively revised to keep pace with advances in theory and practice, particularly from cognitive science. Now more than ever, teachers will find an extensive range of presentations, activities, and tasks to meet the specific needs of their classes. New to This Edition * A pretest at the start of each chapter allows learners to assess what they already know and orient themselves to the chapter material. * Practice, spaced out over time, helps students learn better. Numerous exercises have been added to provide more incremental practice. * New charts and exercises show patterns to help learners make sense of the information. * Meaning-based practice is introduced at the sentence level. Students do not have to wait for longer passages to work with meaning. * Frequent oral exercises encourage students to speak more naturally and fluidly. * Step-by-step writing activities promote written fluency. All end-of-chapter tasks include writing tips and editing checklists. * A wide range of contextualized exercises, frequently including life skills vocabulary, encourages authentic language use. * Updated grammar charts based on corpus research reflect current usage and highlight the differences between written and spoken English in formal and informal contexts. * The BlackBookBlog focuses on student success, cultural differences, and life-skills strategies. * End-of-the-chapter Learning Checks help students assess their learning. * A Pearson Practice English app with end-of-chapter learning checks, Student Book audio, and guided PowerPoint videos. * Revised MyEnglishLab for a fully blended program.

A lesson-by-lesson answer key for all chapters of the Our Mother Tongue student text. Recommended for course.

The eText allows students online access to the student book so they can practice English o the go! Students can access audio selections, do full text searches, highlight important information, create notes and save bookmarked pages. The eText can be used on your computer, iPad, and Android tablet once you have redeemed the Access Card. This eText represents an electronic version of the well-known print edition, Fundamentals of English Grammar, 4th Edition ISBN 978-013246932-6. A classic developmental skills text for lower-intermediate and intermediate English language learners, Fundamentals of English Grammar is a comprehensive reference grammar as well as a stimulating and teachable classroom text. While keeping the same basic approach and material as in earlier editions, the fourth edition more fully develops communicative and interactive language-learning activities. Some of the new features are: Innovative Warm-Up exercises that precede the grammar charts and introduce points to be taught Structure-based listening exercises ranging from casual speech to more academic content A wide selection of readings that highlight the target grammar structures Greatly expanded speaking practice with extensive pair, group, and class work Writing activities with models for students to follow Corpus-informed syllabus that reflects the discourse patterns of spoken and written English Listening Script included
