Everything a player needs to adventure in the Forgotten Realms, the most popular setting in the D&D "RM" game can be found right here: history, maps, non-player characters, geography, economics, societies, organizations, religions, politics, monsters, magic items, spells ... even a start-up adventure in the Realms!

288 page hardcover by Bruce R. Cordell

An unlikely new band of heroes gets into more trouble than usual in the fabled city of Waterdeep, and a new series kicks off a deadly tale with a kidnapping that is more--and less--than it seems.

Reduced to ruins by supernatural cataclysms, Neverwinter rises from the ashes to reclaim its title as the Jewel of the North. Yet even as its citizens return and rebuild, hidden forces pursue their own goals and vendettas, any one of which could tear the city apart. Neverwinter has long been one of the most popular locations in the Forgotten Realms® campaign world. This book presents a complete heroic-tier campaign setting that plunges players into the politics, skullduggery, and peril of a city on the brink of destruction or greatness. A wealth of information about Neverwinter and its environs is provided: maps, quests, encounters, and statistics -- everything a Dungeon Master needs for his heroic tier adventures.

The complete guide for building Forgotten Realms characters. This guide presents this changed world from the point of view of the adventurers exploring it. This product includes everything a player needs to create his character for a D&D campaign in the Forgotten Realms setting.

Offers a comprehensive description of the Forgotten Realms, one of the most well known Dungeons & Dragons campaign settings.

"Unapproachable East" provides a detailed look at the eastern region of the Forgotten Realms world. In addition to new spells, magic items, feats, character races, prestige classes, and a wealth of new monsters, this title includes descriptions of people, places, and unique cultural elements from throughout the region. Full color.

Faerun's deadliest dungeon beckons! Expedition to Undermountain is a Dugeons & Dragons super-adventure that revisits the greatest dungeon in the Forgotten Realms campaign setting. Located beneath the city of Waterdeep, Undermountain has lured countless heroes to their doom. Like other adventures in the "Expedition" series, this product takes a classic D&D location, updates it for D&D v.3.5, and features many new surprises. Rich with source material for players and a new combat encounter format designed to make the Dungeon Master's job easier, as well as information to help Dungeon Masters adapt the adventure to serve their home campaigns.

Every Dungeon Master needs a screen to conceal notes and dice rolls and to have valuable charts and information close at hand. This Forgotten Realms accessory includes a 32-page booklet of tables and topography and a four-panel screen containing a wealth of information and featuring original artwork on the front.

An extensive resource for role-playing in the Forgotten Realms world that includes new and updated material for gameplay.
