Understanding Da Vinci's Creative Genius The life and art of history's most influential mind Bestselling author Leonard Shlain explores the potential for humankind through the life, art, and mind of the first true Renaissance Man, Leonardo da Vinci. His innovations as an artist, scientist, and inventor are recast through a modern lens, with Shlain applying contemporary neuroscience to illuminate da Vinci's creative process. No other person in human history has excelled in so many areas of innovation: Shlain reveals the how and the why. Shlain theorizes that Leonardo's extraordinary mind came from a uniquely developed and integrated right and left brain, which offers a model for how we too can evolve. Using past and current research, Leonardo's Brain presents da Vinci as the focal point for a fresh exploration of human creativity. With his lucid style and remarkable ability to discern connections among a wide range of fields, Shlain brings the reader into the world of history's greatest mind. Leonard Shlain is a bestselling author, inventor, and surgeon. Admired among artists, scientists, philosophers, anthropologists, and educators, he authored three bestselling books. He delivered stunning visual presentations based upon his books in venues around the world, including Harvard, the New York Museum of Modern Art, CERN, Los Alamos, the Florence Academy of Art, and the European Council of Ministers. Shlain died in May 2009 at the age of 71 from brain cancer shortly after the completion of this book. Visit LeonardShlain.com and LeonardosBrain.com.

Find soul mate...check. Harness the power of the Wiccan gods...check. Defeat the evil First Traveler...check. Live a normal life...maybe not. Dagny and Marc are done with destiny. After defeating the First Traveler, they want to leave the Wiccan world behind. But as they settle back into the routine of high school, it seems destiny has other plans. Prophetic dreams, a secret cult and a stranger calling himself the Guardian force Dagny and Marc to face the truth. Channeling the powers of the gods comes with a price and the gods have come to collect. Now Dagny and Marc must choose between each other and the path the gods have written, a path leading to a mysterious gateway that if opened will shatter the Wiccan world. Their love survived the threat of an ancient witch, but can it survive the will of the gods? In this story of love, betrayal and magic, no one is safe and there is no such thing as destiny.
