RUMER-TIME(tm) stands for your ability to Recognize-Understand-Manage-Express-Reflect (RUMER) your Thoughts-Interactions-Mindset-Emotions (TIME). The RUMER-TIME Process(tm) is a relationship prevention and intervention strategy. As you RUMERIZE your Thoughts, Interactions, Mindset, and Emotions (TIME), you become self-aware, socially aware, and skillful as you relate to and successfully navigate interactions with self, others, and situations at home, school, work, and play. The purpose of the RUMER-TIME(tm) Guided Activity Journal is to provide you, the RUMERIZER, with a safe space to journey from unconscious living to conscious living. It's also space where you can write, draw, color, and intentionally think about how you can move from a place of intra- and interpersonal imbalance to balance. With each journal entry, you will become more and more aware of and in charge of your Thoughts, Interactions, Mindsets, and Emotions (TIME) with self, others, and situations. The RUMER-TIME(tm) Guided Activity Journal was created to meet the diverse expressive and reflective needs of individuals of all ages. For example, if you are a RUMERIZER who likes to draw, there are pages for you to draw. If you prefer to write, you have lined pages on which to write. If coloring is your expressive/reflective modality, there are pages for you to color, and for those who like to solve puzzles or word games, there are those activities. Each page in this journal was designed with you in mind. This journal is a tool to help you Recognize-Understand-Manage- Express and Reflect on your TIME as you move from unconscious to conscious living and from a place of Intra- and interpersonal imbalance to balance. The RUMERIZE IT pages give you the opportunity to tell your story as you experienced it. Additionally, the RUMER-TIME(tm) Guided Activity Journal defines and explains the RUMER-TIME Process(tm) and guides you step by step on your journey to self-awareness, social awareness, self-management, relationship management and healthy decision making.

Nature-based tourism (NBT) is a sector where entrepreneurial success is highly knowledge driven. This insightful book offers a comprehensive evaluation of NBT in a Nordic context, highlighting how long-established Nordic traditions of outdoor recreation practices can reveal lessons for the field more broadly. Chapters explore Nordic and international perspectives, local communities, market dynamics, firms, creativity, innovations and value-added experience products.
