"Hey, Rube!" is a slang phrase most commonly used in the United States by circus and traveling carnival workers ("carnies"), with origins in the middle 19th century. It is a rallying call, or a cry for help, used by carnies in a fight with outsiders. It is also sometimes used to refer to such a fight: "The clown got a black eye in a Hey, Rube."

Thompson's wildly popular ESPN.com columns. From the author of Fear and Loathing in Las Vegas and father of "Gonzo" journalism comes Hey Rube. Insightful, incendiary, outrageously brilliant, such was the man who galvanized American journalism with his radical ideas and gonzo tactics. For over half a century, Hunter S. Thompson devastated his readers with his acerbic wit and uncanny grasp of politics and history.
