This work offers the first volume of Albert Bigelow Paine's definitive biography of Twain.

Adventures of Huckleberry Finn (often shortened to Huck Finn) is a novel written by American humorist Mark Twain. It is commonly used and accounted as one of the first Great American Novels. It is also one of the first major American novels written using Local Color Regionalism, or vernacular, told in the first person by the eponymous Huckleberry "Huck" Finn, best friend of Tom Sawyer and hero of three other Mark Twain books.The book is noted for its colorful description of people and places along the Mississippi River. By satirizing Southern antebellum society that was already a quarter-century in the past by the time of publication, the book is an often scathing look at entrenched attitudes, particularly racism. The drifting journey of Huck and his friend Jim, a runaway slave, down the Mississippi River on their raft may be one of the most enduring images of escape and freedom in all of American literature.

Most titles are also offered with REA's exclusive TESTware software to make your practice more effective and more like exam day. REA's CLEP Prep guides will help you get valuable credits, save on tuition, and advance your chosen career by earning a college degree.

Especially in academia, controversy rages over the merits or evils of Mark Twain's "Adventures of Huckleberry Finn," in particular its portrayal of Jim, the runaway slave. Opponents disrupt classes and carry picket signs, objecting with strong emotion that Jim is no fit model for African-American youth of today. In continuing outcries they claim that he and the dark period of American history he portrays are best forgotten. That time has gone, Jim's opponents charge. This is a new day. But is it? Dare we forget? The author of "The Jim Dilemma" argues that Twain's novel, in the tradition of all great literature, is invaluable for transporting readers to a time, place, and conflict essential to understanding who we are today. Without this work, she argues, there would be a hole in American history and a blank page in the history of African-Americans. To avoid this work in the classroom is to miss the opportunity to remember. Few other popular books have been so much attacked, vilified, or censored. Yet Ernest Hemingway proclaimed Twain's classic to be the beginning of American literature, and Langston Hughes judged it as the only nineteenth-century work by a white author who fully and realistically depicts an unlettered slave clinging to the hope of freedom. A teacher herself, the author challenges opponents to read the novel closely. She shows how Twain has not created another Uncle Tom but rather a worthy man of integrity and self-reliance. Jim, along with other black characters in the book, demands a rethinking and a re-envisioning of the southern slave, for Huckleberry Finn, she contends, ultimately questions readers' notions of what freedom means and what it costs. As she shows that Twain portrayed Jim as nobody's fool, she focuses her discussion on both sides of the Jim dilemma and unflinchingly defends the importance of keeping the book in the classroom. Jocelyn Chadwick-Joshua is director of the American studies program at Dallas Institute for the Humanities.

Everyone knows the story of the raft on the Mississippi and that ol' whitewashed fence, but now it's time for youngins everywhere to get right acquainted with the man behind the pen. Mr. Mark Twain! An interesting character, he was...even if he did sometimes get all gussied up in linen suits and even if he did make it rich and live in a house with so many tiers and gazebos that it looked like a weddin' cake. All that's a little too proper and hog tied for our narrator, Huckleberry Finn, but no one is more right for the job of telling this picture book biography than Huck himself. (We're so glad he would oblige.) And, he'll tell you one thing-that Mr. Twain was a piece a work! Famous for his sense of humor and saying exactly what's on his mind, a real satirist he was-perhaps America's greatest. Ever. True to Huck's voice, this picture book biography is a river boat ride into the life of a real American treasure.

Here is the story of Tom, Huck, Becky, and Aunt Polly; a tale of adventures, pranks, playing hookey, and summertime fun. Written by the author sometimes called "the Lincoln of literature," The Adventures of Tom Sawyer was surprisingly neither a critical nor a financial success when it was first published in 1876. It was Mark Twain's first novel. However, since then Tom Sawyer has become his most popular work, enjoying dramatic, film, and even Broadway musical interpretations.

Seminar paper from the year 2012 in the subject American Studies - Literature, grade: 1,3, University of Constance, course: American Realism and Naturalism, language: English, abstract: In this essay, I would like to consider the role of practical jokes within the story, especially concerning the development of the characters of the two white boys, Tom and Huck, and their relationship to the runaway slave Jim.
