A best-selling British writer and the first member of the British Special Forces to break the Forces' code of silence recounts his military career as an elite soldier and secret agent. Reprint.

He is one of the most highly decorated soldiers alive. He is also the first to break the code of silence about the most elite fighting force in the world. What Andy McNab has to say is so explosive that the British government tried to stop him. A street fighter, a hard case, and a flawless soldier, Andy McNab became one of the elite fighting men in "the Regiment"—Britain's covert SAS. His actions behind the lines in the Gulf War made him a hero. But the full story of his life and his amazing career in Special Forces has remained a secret...until now. In harrowing detail, McNab takes us inside the Regiment, chronicling nine years of covert operations on five continents. Plunging us into a world of surveillance, counterintelligence, and hostage rescue, he takes us behind the scenes on some of their top secret missions. For the first time, he reveals the shocking details of their training—physically severe, mentally grueling, and sometimes deadly. And he dares to expose some of their highly confidential codes and rules—including the one that sanctions murder. This is the story of the fighting men of the SAS. Here is how they live. And here is how they die...

Tired of the burden imposed by hypothyroidism? Want to rid yourself of the tiredness, weakness, and weight problems associated with the disease? If you 're one of the 15 million men and 30 million women who suffer from this chronic medical problem, know that you don 't have to struggle alone, and that there are several things you can do to maintain good control over your thyroid hormone levels. The book The Hypothyroid Immediate Action Plan by Elizabeth Hungerford will show you how to beat hypothyroidism through a treatment that involves diet and natural supplements. Every journey starts with a single step, so if you want to take the path to healing your thyroid problems, start by reading The Hypothyroid Immediate Action Plan. After reading Elizabeth Hungerford 's work, you will understand: The thyroid 's role in the endocrine system and the body 's general function The importance of thyroid hormones to the body 's metabolism, heart beat and body temperature How a gland as small as the thyroid can affect the entire body The root cause of thyroid problems What you can eat to keep hypothyroidism at bay Complications linked to low thyroid hormone levels How to manage your weight when hypothyroidism is prohibiting you from slimming down no matter how much you exercise or diet What items to keep in your kitchen and pantry that support your thyroid 's health Materials to read for further reading about your thyroid and keeping it in great condition The natural treatment plan that will bring balance back to your thyroid hormone levels Hypothyroidism can force your metabolic system 's gas pedal to slow down, and when the thyroid slows down, almost all your other organs will slow down as well. But the good news is it can speed up again with a balanced diet, healthy lifestyle, and a practical guide.

The Thyroid Diet
