They show that judicial elections are efficacious mechanisms that enhance the quality of democracy and create an inextricable link between citizens and the judiciary. In so doing, they pioneer the use of empirical data to shed light on these normative questions and offer a coherent defense of judicial elections.

Many critics, including on
this blog, have argued for
abolishing judicial
elections, partly on the
grounds that judicial
elections open the door to
judicial corruption. These
critics worry that elected
judges cannot apply the law
neutrally because they will
be influenced by those who
got them to their position
