Previous editions ("Social Skills in Interpersonal Communication") have established this work as the standard textbook on communication. Directly relevant to a multiplicity of research areas and professions, this thoroughly revised and updated edition has been expanded to include the latest research as well as a new chapter on negotiating. Key examples and summaries have been augmented to help contextualise the theory of skilled interpersonal communication in terms of its practical applications. Combining both clarity and a deep understanding of the subject matter, the authors have succeeded in creating a new edition which will be essential to anyone studying or working in the field of interpersonal communication.

Emphasizes the importance of relating to others Interpersonal Communication: Relating to Others emphasizes the importance of communication confidence in a variety of interpersonal relationships and interpersonal contexts. In Reflect & Relate, distinguished teacher and scholar Steve McCornack provides students with the best theory and most up-to-date research and then helps them relate that knowledge to their own experiences. Engaging examples and a lively voice hook students into the research, while the book's features all encourage students to critically reflect on their own experiences. Based on years of classroom experience and the feedback of instructors and students alike, every element in Reflect & Relate has been carefully constructed to give students the practical skill to work through life's many challenges using better interpersonal communication. The new edition is thoroughly revised with a new chapter on Culture; new, high-interest examples throughout; and up-to-the-moment treatment of mediated communication, covering everything from Internet dating to social media.

Illustrates communication's role in human relationships This title introduces students to interpersonal communication principles and theories through the use of commonplace experiences, such as relationships with roommates, friends and co-workers. The book aims to motivate students to critically think about their own relational communication; it also peaks student interest in social science research. MySearchLab is a part of the Knapp/Vangelisti/Caughlin program. Research and writing tools, including access to academic journals, help students explore human communication in even greater depth. To provide students with flexibility, students can download the eText to a tablet using the free Pearson eText app. 020587729X / 9780205877294 Interpersonal Communication & Human Relationships Plus MyCommlLab with eText -- Access Card Package Package consists of: 0205006086 / 9780205006083 Interpersonal Communication & Human Relationships 0205683770 / 9780205683772 MyCommunicationLab with Pearson eText -- Valuepack Access Card Note: MySearchLab does not come automatically packaged with this text.

This experiential, workbook-style text focuses on key skill sets necessary for personal and managerial success in organizations today. These skill sets are: Intrapersonal skills - those skills essential for understanding oneself and one's personality; perception, awareness, disclosure and trust, value clarification, goal setting, identifying barriers to personal change and time-and stress-management. Interpersonal skills - those skills necessary for working with others: conveying verbal messages, listening and non-verbal communication, giving and receiving feedback, communicating with diverse others and overcoming barriers to communication. Team skills - those skills required for understanding and working in teams: forming, leading and facilitating teams, decision-making (including ethical decision frameworks), problem-solving, running meetings and project management. Advanced interpersonal skills - those skills needed for leading and developing others: coaching and mentoring, empowerment and delegation, persuasion, networking, politicking, negotiation and conflict management.
