In response to a congressional request in 1992 concerning the impact of U.S. military aircraft cooperative programs with Japan, the author examined the Japanese aerospace industry's production, employment, market share, and trade over the decade prior to 1992. The author also: (1) obtained information on Japanese aerospace companies; participation in the U.S. civil jet aircraft industry, specifically in Boeing and Douglas Aircraft Company programs; (2) identified Japanese companies participating in the F-15 co-
