From the New York Times Bestselling romance author, Kendall Ryan comes a sexy companion novel to Unravel Me. Emotionally crippled Liz isn't looking for a relationship when she meets delish boy-next-door, Cohen. He's several years younger, a volunteer firefighter, oh...and a virgin, making him totally off limits. But never one to back away from a challenge, she develops a close friendship with Cohen while she continues to satisfy her physical needs elsewhere. Even as she spends her evenings in another man's arms, she somehow finds herself curled up in Cohen's bed each night. It's been a long time since she had a true honest-to-goodness make out session, but Cohen's showing her just how much fun not having sex can be. When Cohen's injured in the line of duty, her real feelings for him rise to the surface, and she has to decide if she's willing to take a risk on love after enduring so much heartbreak in her past. MAKE ME YOURS is the sexy conclusion to the UNRAVEL ME series.

Psychology student Ashlyn Drake's neat, orderly life takes a turn for the crazy when she finds the perfect subject for her amnesia thesis-- a young man without any memory of his previous life, including the murder he's accused of committing. She's drawn to him like a moth to a flame. Even handcuffed to his hospital bed, he could pass for a cologne ad-- Scent de Insanity. She's determined to help him solve the mystery of his past, using his cryptic tattoos, and his paintings that scream of a dark. When she finally learns his secret, there's no telling which one is the real him: the gentle lover she's fallen for or the troubled man with a dark past.

The complete Unravel Me series from New York Times and USA Today bestselling author, Kendall Ryan Unravel Me Psychology student Ashlyn Drake's neat, orderly life takes a turn for the crazy when she finds the perfect subject for her amnesia thesis - a young man without any memory of his previous life, including the murder he's accused of committing. Against all common sense, Ashlyn's drawn to him like a moth to a flame. Perhaps it's that he's so incredibly male, and even handcuffed to his hospital bed he could pass for a cologne ad - Scent de Insanity. Or perhaps it's because she's spent too many lonely nights studying. Either way, she's determined to help him solve the mystery of his past. She begins to unravel who he was before, using his cryptic tattoos, and his paintings that scream of a dark past as her only clues. When she finally learns his secret there's no telling which one is the real him, the gentle lover she's fallen for or the troubled man with a dark past. If you accidentally bang your best friend's younger brother, here are a few important tips . . . One: Do not brag to your friend about how well-endowed her brother is. Two: Do not go back for seconds (or thirds). Three: Do not let him see your muffin top or jiggle behind. And definitely don't let him feed you cookies in bed. Cookies are bad. Remember that. Four: Act like a damn grown-up and apologize for riding him like a bull at the rodeo. And do not flirt with him when he laughs at said apology. Five: This one is crucial, so pay attention. Do not, under any circumstances, fall in love with him.

Design Intervention, starts the second season with its own surprise makeover. Interior designer Victoria Bryce must break in her temporary co-host, Aussie Russ Rowland. Sometimes, a chance meeting is just the push you need in order to break free from the darkness within... My name is Emma, I'm 23, and I've never been kissed. I'm no virgin... But kissing is too intimate, too intense, and I don't want that - not ever. I like sex, though, and most of my hook-ups don't seem to mind the no-kissing part. But then I meet Daniel, who's such a geek, and definitely not the kind of guy I'd normally take an interest to. He's the shy, quiet type, but with such a charming smile, and he makes my heart race - something I've never experienced before. Daniel has his own issues to work through, and I know my hardened heart shouldn't melt when he looks at me. I really shouldn't be falling for him, either, but somehow, he manages to tear down my walls, and I'm scared...because once he learns my secrets, he'll want nothing to do with me. All I know is that Daniel makes me feel things that I have never felt before - but I dare let down my walls and confide in him? Will I let him be my first kiss? This is my story, and I'll reveal everything in my own sweet time... Just don't expect all the hearts-and-flowers stuff. Life is messy, and mine is no different... INSPIRED BY TRUE EVENTS ***Due to possible 'triggers' and adult situations (yes, there is lots of sex in this book) it is not recommended to persons under the age of 18.

Even her childhood sweetheart Lachlan seems to think Naomi is losing her mind and begins to pull away. With everyone convinced she's insane, and finding herself haunted by demons both real and imagined, Naomi starts to worry they may be right. With the help of a sensitive new psychiatrist, Naomi must face a traumatic past that may have fractured her reality ... and discover that even the purest of souls have darkness in them"--
