that determine the nature of the coordination problems that political actors face in differing polities.

Systems Political Economy Of Insults And Decisions

"Making Votes Count" Abstract | Gary W. Cox

That every voter votes so as to maximize

Where To Download Making Votes Count

its expected utility is a postulate and needs no further confirmation. And strategic voting is a necessary instrument for any rational human being to make his vote count. The book does not lack complete originality, though. Cox refines two of Duverger's theories.
