This comprehensive guide will help you through the entire process, from engine repair to bodywork. Don't begin that restoration project without Porter's professional techniques.

by John Reynolds The Citroën 2CV is a cultural icon that formed as essential a part of the French way of life as Beaujolais or Camembert. The pure logic of its engineering and the integrity of its design won it a legion of fans around the world, not least in the UK. Almost seven million of its various versions and derivatives were built, and today, years after its manufacture ceased, it is still as popular as ever. Now available in paperback, the third edition of this classic book tells the full story and is packed with appealing photographs, some in colour. spectacular value for money...fitting tribute Classic Car Mart a great read Auto Express
