Prudy collects so many things that everyone says she has a problem, but when a crisis convinces her that they are right, she comes up with the perfect solution.

In this book, master teacher, trainer, and celebrated math author Becky Bride will show you step-by-step, activity-by-activity, and lesson-by-lesson how she used cooperative learning structures to help her students succeed with algebra year after year. When the power of student-to-student interaction is unleashed in
