Luther King or Malcolm X? Martin And  
Malcolm America A

James H Cone's 'Martin & Malcolm & America' is an impressive study comparing and contrasting the thoughts and philosophies of the two most important black Americans of the twentieth century. Through his penetrating analysis, Cone shows that there were more similarities between these two men than has often been thought.

Reviews. Cone contrasts the ideological visions of these two leaders during the civil rights movement, including how each man saw the future of blacks in America -- "I have a dream" versus "I see a nightmare"--And how each man viewed the influence of white society on black culture -- from "we must love our white brothers" to "white man ...
