The emphasis of  
Managerial Accounting,  
12th edition, is on

teaching students to use  
accounting information  
to best manage an  
organization. Consistent  
with the practice Hilton  
pioneered in the first  
edition, each chapter is  
written around a  
realistic business or  
focus company that

As the long-time #1 best-seller, Garrison has helped guide close to 3 million students through managerial accounting since it was first published. It identifies the three functions managers must perform within their organizations - plan operations, control activities, and make decisions - and explains
