Motoring with Mohammed turned out to be quirky book containing a series of stories about living and travelling in Yemen around 1990. Lots of really interesting (and many surprising!) insights about Arabic Muslim culture, society - and food! However, it was a slow moving story, and I found it a bit hard to keep on going all the way to the end.

~~About Motoring with Mohammed In 1978~~

Eric Hansen found himself shipwrecked on a desert island in the Red Sea. When goat smugglers offered him safe passage to Yemen, he buried seven years' worth of travel journals deep in the sand and took his place alongside the animals on a leaky boat bound for a country that he'd never planned to visit.
