Divorce attorney Harper James can't catch a break. Bad enough that she runs into her ex-hubby, Nick, at her sister's destination wedding, but now, by a cruel twist of fate, she's being forced to make a cross-country road trip with him. And her almost-fiancé back at home is not likely to be sympathetic. Harper can't help that Nick has come blazing back into her life in all of his frustratingly appealing, gorgeous architect glory. But in Nick's eyes, Harper's always been the one. If they can only get it right this time, forever might be waiting—just around the bend.

From the hilarious and heartwarming New York Times bestselling author of *If You Only Knew*, *On Second Thought* and *Now That You Mention It*, a story about that moment when you realise you actually don't have life and love all figured out... Just when she thought she had life and love all figured out....

An unexpected summer fling could turn out to be the best decision she's ever made! After her father loses the family fortune in an insider-trading scheme, single mom Parker Welles is faced with some hard decisions. First order of business: go to Gideon's Cove, Maine, to sell the only thing she now owns—a decrepit house in need of some serious flipping. When her father's wingman, James Cahill, asks to go with her, she's not thrilled...even if he is fairly gorgeous and knows his way around a toolbox. Second on Parker's list: find a nice man to have a no-strings-attached summer fling with...if that's even

possible in a small town. Having to fend for herself financially for the first time in her life, Parker signs on as a florist's assistant and starts to find out who she really is. Maybe James isn't the boring lawyer she always thought he was. And maybe the house isn't the only thing that needs a little TLC. Previously published.

A funny, frank and bittersweet look at sisters, marriage and moving on, from the New York Times bestselling author of the Blue Heron series Letting go of her ex-husband is harder than wedding-dress designer Jenny Tate expected...especially since his new wife wants to be Jenny's new best friend. Needing closure, Jenny trades the Manhattan skyline for her hometown up the Hudson, where she'll start her own business and bask in her sister Rachel's picture-perfect family life...and maybe even find a little romance of her own with Leo, her downstairs neighbor, who's utterly irresistible and annoyingly distant at the same time. Rachel's idyllic marriage, however, is imploding after she discovers what looks like her husband's infidelity. She always thought she'd walk away in this situation but now she's wavering, much to Jenny's surprise. Rachel points to their parents' perfect marriage as a shining example of patience and forgiveness; but to protect her sister, Jenny may have to tarnish that memory—and their relationship—and reveal a family secret she's been keeping since childhood. Both Rachel and Jenny will have to come to terms with the past and the present, and find a way to help each other get what they want most of all.

Don't miss this deliciously romantic fan favorite from New York Times bestselling author Kristan Higgins! Millie Barnes is this close to finally achieving her perfect life: Rewarding job in Cape Cod? Check. Cute cottage of her very own? Check. Adorable dog suitable for walks past attractive locals? Check! But perfection isn't as easy as it looks—especially when Sam Nickerson, a local policeman, is so distracting. He is definitely not part of her master plan. But maybe it's time for Millie to make a new plan.... Previously published in 2006.

One of Purewow's Best Beach Reads of Summer 2018 New York Times bestselling author Kristan Higgins is beloved for her heartfelt novels filled with humor and wisdom. Now, she tackles an issue every woman deals with: body image and self-acceptance. Emerson, Georgia, and Marley have been best friends ever since they met at a weight-loss camp as teens. When Emerson tragically passes away, she leaves one final wish for her best friends: to conquer the fears they still carry as adults. For each of them, that means something different. For Marley, it's coming to terms with the survivor's guilt she's carried around since her twin sister's death, which has left her blind to the real chance for romance in her life. For Georgia, it's about learning to stop trying to live up to her mother's and brother's ridiculous standards, and learning to accept the love her ex-husband has tried to give her. But as Marley and Georgia grow stronger, the real meaning of Emerson's dying wish becomes truly clear: more than anything, she wanted her friends to love themselves. A novel of compassion and insight, Good Luck With That tells the story of two women who learn to embrace themselves just the way they are.

After Honor Holland agrees to a marriage of convenience to help British professor Tom Barlow stay in the country, she

begins to wonder if there isn't something more between them. Original.

Sometimes you have to break a family to fix it. From New York Times bestselling author Kristan Higgins, a new novel examining a family at the breaking point--in all its messy, difficult, wonderful complexity. The Frosts are a typical American family. Barb and John, married almost fifty years, are testy and bored with each other...who could blame them after all this time? At least they have their daughters-- Barb's favorite, the perfect, brilliant Juliet; and John's darling, the free-spirited Sadie. The girls themselves couldn't be more different, but at least they got along, more or less. It was fine. It was enough. Until the day John had a stroke, and their house of cards came tumbling down. Now Sadie has to put her career as a teacher and struggling artist in New York on hold to come back and care for her beloved dad--and face the love of her life, whose heart she broke, and who broke hers. Now Juliet has to wonder if people will notice that despite her perfect career as a successful architect, her perfect marriage to a charming Brit, and her two perfect daughters, she's spending an increasing amount of time in the closet having panic attacks. And now Barb and John will finally have to face what's been going on in their marriage all along. From the author of *Good Luck with That* and *Life and Other Inconveniences* comes a new novel of heartbreaking truths and hilarious honesty about what family really means.

"The kind of book I enjoy the most—sparkling characters, fast-moving plot and laugh-out-loud dialogue. A winner!" —New York Times bestselling author Susan Elizabeth Phillips on *If You Only Knew* New York Times bestselling author Kristan Higgins welcomes you home in this witty, emotionally charged novel about the complications of life, love and family One step forward. Two steps back. The Tufts scholarship that put Nora Stuart on the path to becoming a Boston medical specialist was a step forward. Being hit by a car and then overhearing her boyfriend hit on another doctor when she thought she was dying? Two major steps back. Injured in more ways than one, Nora feels her carefully built life cracking at the edges. There's only one place to land: home. But the tiny Maine community she left fifteen years ago doesn't necessarily want her. At every turn, someone holds the prodigal daughter of Scupper Island responsible for small-town drama and big-time disappointments. With a tough islander mother who's always been distant, a wild-child sister in jail and a withdrawn teenage niece as eager to ditch the island as Nora once was, Nora has her work cut out for her if she's going to take what might be her last chance to mend the family. Balancing loss and opportunity, dark events from her past with hope for the future, Nora will discover that tackling old pain makes room for promise...and the chance to begin again.
