The General books have been substantially revised from the previous editions to ensure that they are accessible to all students at this level. Non-calculator work clearly identified throughout all books. Parallel content between all books allows movement between levels. 'Review' sections at the beginning of each chapter enable students to consolidate learning from previous chapters and establish knowledge required to proceed with the topic. 'Recap' sections provide summaries of the chapter, making them an ideal revision tool. 'Revise' sections contain end of chapter exercises for revision and assessment, building up to exam style questions to ensure thorough preparation for exams.

This comprehensive primary ICT scheme has been developed to be supportive yet flexible enough to suit all teachers, whatever their level of ICT expertise. The scheme encourages users to develop their own skills at the computer in order to plan, deliver and assess ICT in a confident and targeted way. Featuring cross-curricular links, particularly with literacy and mathematics, the scheme corresponds to the QCA Scheme of Work and the Scottish 5-14 Guidelines. The scheme contains structured, at-a-glance lesson plans
