Use Freud's states of consciousness and stages of psychosexual development to help explain Hank's behavior by answering the following questions. What personality (or character) type does Hank display according to Freudian theory? Provide evidence for your answer. At what stage is Hank fixated, according to the Freudian perspective?

Freud case study 1:

Sigmund Freud developed psychodynamic theories on personality. He believed that there are three elements to our personality. The first is the ID, the second is the ego, and the third is the superego. He believed that each element keeps the others in check; therefore if all elements are well balanced the person had a healthy personality.
