bottom of the phone. 2. Insert the Power Supply plug into a nearby electrical outlet. 3. Connect the other end of the long console cable to the bottom of the Power Supply. VoiceStation™ 300 will run a brief self-test, and then you will hear a tone.

VoiceStation 300 User Guide - Polycom

I purchased a VoiceStation 300 so we can make conference calls. The phone provider we have gives the participants a number and code to call in. My question is how do link all of the callers together using the system. The system came with no manual and the downloaded manual was no help.

New

Our board members cannot all get to meetings due to weather, mud slides, distance, etc. We needed them at our meetings, so my husband and I donated a Polycom VoiceStation 300 Phone System to the cause, and a fellow board member gave us access to his business's One Source conference call system. We now have almost 100% attendance at our meetings.
