"In AD 381, Theodosius, emperor of the eastern Roman empire, issued a decree in which all his subjects were required to subscribe to a belief in the Trinity of the Father, Son, and Holy Spirit. This edict defined Christian orthodoxy and brought to an end a lively and wide-ranging debate about the nature of the Godhead; all other interpretations were now declared heretical. Moreover, for the first time in a thousand years of Greco-Roman civilization, free thought was unambiguously suppressed. Not since the attempt of the pharaoh Akhenaten to impose his god Aten on his Egyptian subjects in the fourteenth century BC had there been such a widesweeping

programme of religious coercion. Yet surprisingly this political revolution, intended to bring inner cohesion to an empire under threat from the outside, has been airbrushed from historical record. Instead, it has been claimed that the Christian Church had reached a consensus on the Trinity which was promulgated at the Council of Constantinople in 381." "In this groundbreaking new book, acclaimed historian Charles Freeman shows that the council was a shambolic affair which only took place after Theodosius' decree had become law. In short, the Church was acquiescing in the overwhelming power of the emperor. Freeman argues that Theodosius' edict and the subsequent suppression of paganism not only brought an end to the diversity of religious and philosophical beliefs throughout the empire, but created numerous theological problems for the Church, which have remained unsolved. The year

Biblical Christianity is not just for white Westerners—it's good news for all of us. Theologian and community activist Antipas L. Harris responds to young Americans who struggle with the perception that Christianity is detached from matters of justice, identity, and culture, affirming that the Bible promotes equality for all people.

Devotion to the Sacred Heart of Jesus is a religious text by Jean Croiset. It consists of spiritual meditations with adoration of Jesus in mind, and was influenced by St. Margaret Mary's holy visions.

written both as a personal study guide and as a teacher's manual. As you study it, seeking the Spirit of the Lord, you can grow in your understanding and testimony of God the Father, Jesus Christ and His Atonement, and the Restoration of the gospel. You can find answers to life's questions, gain an assurance of your purpose and self-worth, and face personal and family challenges with faith.

In the United States, some populations suffer from far greater disparities in health than others. Those disparities are caused not only by fundamental differences in health status across segments of the population, but also because of inequities in factors that impact health status, so-called determinants of health. Only part of an individual's health status depends on his or her behavior and choice; community-wide problems like poverty, unemployment, poor

education, inadequate housing, poor public transportation, interpersonal violence, and decaying neighborhoods also contribute to health inequities, as well as the historic and ongoing interplay of structures, policies, and norms that shape lives. When these factors are not optimal in a community, it does not mean they are intractable: such inequities can be mitigated by social policies that can shape health in powerful ways. *Communities in Action: Pathways to Health Equity* seeks to delineate the causes of and the solutions to health inequities in the United States. This report focuses on what communities can do to promote health equity, what actions are needed by the many and varied stakeholders that are part of communities or support them, as well as the root causes and structural barriers that need to be overcome.

As the characters go through their daily journeys, each one finds themselves often pondering the question: Where do we go from here? Some will realize the answer to that question, while others will be left to figure out which way to turn next. Interwoven in this novel are issues and lessons related to friendship, love, death, family secrets, betrayal, heartbreak and pure bliss. Set in the suburbs of Maryland and the Washington Metropolitan area, you'll take a ride through the characters' lives that will touch your heart and leave you wanting more.

growing up to become a strong black woman during the most difficult time of racial segregation.”—Professor Charles Ogletree, Harvard Law School “Provides important context for an important moment in America’s history.”—Associated Press When fourteen-year-old Carlotta Walls walked up the stairs of Little Rock Central High School on September 25, 1957, she and eight other black students only wanted to make it to class. But the journey of the “Little Rock Nine,” as they came to be known, would lead the nation on an even longer and much more turbulent path, one that would challenge prevailing attitudes, break down barriers, and forever change the landscape of America. For Carlotta and the eight other children, simply getting through the door of this admired academic institution involved angry mobs, racist elected officials, and intervention by President Dwight D. Eisenhower, who was

forced to send in the 101st Airborne to escort the Nine into the building. But entry was simply the first of many trials. Breaking her silence at last and sharing her story for the first time, Carlotta Walls has written an engrossing memoir that is a testament not only to the power of a single person to make a difference but also to the sacrifices made by families and communities that found themselves a part of history.

Until now, freedom-minded parents had no educational material to teach their children the concepts of liberty. The Tuttle Twins series of books helps children learn about political and economic principles in a fun and engaging manner. With colorful illustrations and a fun story, your children will follow Ethan and Emily as they learn about liberty!
