☞A brilliant, sensual must read.☞ ☞Christine Feehan The incomparable C.L. Wilson brings her phenomenal Tairen Soul novels to Avon Books! Queen of Song and Souls is the fourth book in the epic romantic adventure that combines sweeping fantasy with breathtaking paranormal romance. USA Today and New York Times bestseller C. L. Wilson returns to the Fading Lands, as the outcast lovers, Rain the Fey King and Ellysetta, his true mate, must defeat the gathering forces of darkness through a power forbidden in their doomed worldand the awesome strength of their love.

Men are increasingly confused over the meaning of true manhood. In "Healing the Masculine Soul," Dalbey reveals Christ-centered methods for pursuing and attaining genuine masculine virtues and identity. Practical proven insights for learning how to become a true man of God.

☞ How to cope with the realities of life as an actor!if you don't laugh, you'll cry ☞ In-depth interviews with actors, agents, casting directors. In this hip, warts-and-all look at acting, author Jason Pugatch shares his insights as a working "day player" to give an unvarnished look at theater, film, and television: how to be "discovered," what to expect from training programs, the grunt work of starting a career, how to keep going despite constant rejection, and much more. Packed with myth-shattering anecdotes and told in an intriguing personal tone, Acting Is a Job is the backstage guide that every aspiring actor must read. Allworth Press, an imprint of Skyhorse Publishing, publishes a broad range of books on the visual and performing arts, with emphasis on the business of art. Our titles cover subjects such as graphic design, theater, branding, fine art, photography, interior design, writing, acting, film, how to start careers, business and legal forms, business practices, and more. While we don't aspire to publish a New York Times bestseller or a national bestseller, we are deeply committed to quality books that help creative professionals succeed and thrive. We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers.

One of the world's most popular patterns books, many jazz greats have fond memories of practicing from this great resource! It features an exhaustive collection of improvisational jazz patterns in various meters and feels. Comments and suggestions are included by the author---a legendary composer, arranger, conductor, and instrumentalist. This is a very popular book because it helps spell out some of the basic building blocks of the jazz language. It is regarded by many jazz teachers as one of the essential texts for their students.

A secret grave is unearthed in the desert revealing the bodies of 19 women and the shocking truth that a serial killer has been operating undetected in Jeddah for more than a decade. However, lead inspector Ibrahim Zahrani is distracted by a mystery closer to home. His mistress has suddenly disappeared, but he cannot report her missing since adultery is punishable by death. With nowhere to turn, Ibrahim brings the case to Katya, one of the few women in the police department. Drawn into both investigations, she must be increasingly careful to hide a secret of her own. Portraying the lives of women in one of the most closed cultures in the world, award-winning author Zoë Ferraris weaves a tale of psychological suspense around an elusive serial killer and the sinister forces trafficking in human lives in Saudi Arabia.

Viviane, a beautiful Celtic princess, unwittingly unravels the spell that binds the spirit of the evil Idoc within a circle of tall stones. Once released, the sorcerer-priest uses his powers to deliver vengeance upon those responsible for his original enslavement - including the Princess Viviane. With Idoc in possession of the body of Prince Caradawc, her betrothed, Viviane can no longer judge safely between friend and foe, between this life and previous incarnations. Yet to rescue Caradawc from his nightmare, she must risk everything to reach the dreaded dark tower where Idoc waits. And, to ensure victory over evil, she must seek out Lucifer's Emerald. She journeys through dreams and nightmare, beauty and horror, good and evil to save her lover and destroy the sorcerer-priest. This is a quest for spiritual grace which is beautifully depicted and includes all the timeless ingredients of legend.

The Inka empire, Tawantinsuyu, fell to Spanish invaders within a year's time (1532-1533), but Quechua, the language of the Inka, is still the primary or only language of millions of Inka descendants throughout the southern Andes. In this innovative study, Bruce Mannheim synthesizes all that is currently known about the history of Southern Peruvian Quechua since the Spanish invasion, providing new insights into the nature of language change in general, into the social and historical contexts of language change, and into the cultural conditioning of linguistic change. Mannheim first discusses changes in the social setting of language use in the Andes from the time of the first European contact in the sixteenth century until today. He reveals that the modern linguistic homogeneity of Spanish and Quechua is a product of the Spanish conquest, since multilingualism was the rule in the Inka empire. He identifies the social and political forces that have influenced the kinds of changes the language has undergone. And he provides the first synthetic history of Southern Peruvian Quechua, making it possible at last to place any literary document or written text in a chronological and social context. Mannheim also studies changes in the formal structure of Quechua. He finds that changes in the sound system were motivated primarily by phonological factors and also that the changes were constrained by a set of morphological and syntactic conditions. This last conclusion is surprising, since most historical linguists assume that sound change is completely independent of other aspects of language. Thus, The Language of the Inka since the European Invasion makes an empirical contribution to a general theory of linguistic change. Written in an engaging style that is accessible to the nonlinguist, this book will have a special appeal to readers interested in the history and anthropology of native South America.

As a child in South Africa, spending summers exploring the wild with his boyhood friends, Lyall Watson came face to face with his first elephant. From that moment on, Watson's fascination grew into a lifelong obsession with understanding the nature and behaviour of this impressive creature. Around the world, the elephant - at once a symbol of spiritual power and physical endurance - has been worshipped as a god and hunted for sport. In this captivating portrait of the elephant, Watson draws from scientific research, anthropological studies, and personal experience to document the animal's wide-ranging capabilities to remember and to mourn; and he reminds us of its rich mythic origins, its evolution, and its devastation in recent history. Part meditation on an elusive animal, part evocation of the power of place, Elephants presents an alluring mix of the mysteries of nature and the wonders of childhood.
