About The Journal When your research depends on the very latest information on the collection, measurement and analysis of data, turn to Sociological Methods & Research (SMR). Each issue of SMR presents new techniques and innovative approaches to recurring research challenges and clarifies existing methods.

~~Sociological Methods & Research: SAGE Journals~~

In planning studies ' designs, sociologists generally choose from four widely used methods of social investigation: survey, field research, experiment, and secondary data analysis, or use of existing sources. Every research method comes with pluses and minuses, and the topic of study strongly influences which method or methods are put to use.
