developing an attitude of acceptance for their accomplishments while enjoying the time they waste.

The Happy Student is written by a student for students. Daniel Wong doesn't have a PhD in education or psychology, but his transformation from unhappy overachiever to happy straight-A student has given him unique insight into what motivates students intrinsically. By sharing with readers his personal story and the five-step program he has developed, unmotivated students everywhere will understand how they, too, can find deep satisfaction in the pursuit of academic success.
