For thousands of years, no book has been more shrouded in mystery than the Zohar, yet no book offers us greater wisdom. The central text of Kabbalah, the Zohar is a commentary on the Bible's narratives, laws, and genealogies and a map of the spiritual landscape. In The Essential Zohar, the eminent kabbalist Rav P. S. Berg decodes its teachings on evil, redemption, human relationships, wealth and poverty, and other fundamental concerns from a practical, contemporary perspective. The Zohar and Kabbalah have traditionally been known as the world's most esoteric sources of spiritual knowledge, but Rav Berg has dedicated his life to making this concentrated distillation of infinite wisdom available to people of all faiths so that we may use its principles to live each day in harmony with the divine.

Provides a practical understanding and interpretation of the Zohar, the central kabbalistic text, examines its central teachings on evil, redemption, human relationships, wealth and poverty, death and the afterlife, and other fundamental concerns, and explains how to use the principles of Kabbalah to live in harmony with the divine. Reprint. 15,000 first printing.

This is the first translation with commentary of selections from The Zohar, the major text of the Kabbalah, the Jewish mystical tradition. This work was written in 13th-century Spain by Moses de Leon, a Spanish scholar.

The Book of Zohar (Book of Radiance), also known as The Zohar is one of the most mysterious and misunderstood compositions ever written. The awe, admiration, and even fear it has evoked over the years are unsurpassed. This book contains the secrets of the whole of Creation, but until recently these secrets were shrouded in a cloud of mystery and misconceptions. Now The Zohar is openly unfolding its wisdom throughout the world, to show humanity a way forward, as the book itself declares (VaYera, Item 460), When the days of the Messiah draw near, even infants will discover the secrets of the wisdom. The greatest Kabbalist of the 20th century, Rav Yehuda Ashlag (1884-1954) paved a new way for us by which we can reveal the secrets of The Zohar. He wrote the Sulam [Ladder] Commentary and the four introductions for The Zohar to help us come to know the forces that govern our lives, and teach us how we can assume control over our destinies. This book is an invitation to a wondrous journey to a higher world. The author, Kabbalist Dr Michael Laitman, wisely ushers us into the revelations of the Sulam commentary. In so doing, Laitman helps us fine-tune our thoughts as we read in The Zohar, to maximize the spiritual benefit derived from reading it. In addition to explaining The Book of Zohar, the book contains numerous inspiring quotes from The Zohar, specifically translated, edited, and compiled for easy reading and understanding of this powerful text.

One of the great masterpieces of Western religious thought, the Zohar represents an attempt to uncover hidden meanings behind the world of appearances. It is the central work in the literature of the Kabbalah, the Jewish mystical tradition. This volume of selected passages from the Zohar, culled by the greatest authority on Jewish mysticism, offers a sampling of its unique vision of the esoteric wonders of creation; the life and destiny of the soul; the confluence of physical and divine love; suffering and death; exile and redemption.

A translation of the Kabbalah for the layperson includes a compact presentation of each primary text and features a practical analysis and vital historical information that offer insight into the various aspects of Jewish mysticism.

Introduction to the Zohar is the second in a series written by Kabbalist and scientist Rav Michael Laitman, which will prepare readers to understand the hidden message of The Zohar. Among the many helpful topics dealt with in this companion text to The Science of Kabbalah, readers are introduced to the 'language of root and branch', without which the stories in the Zohar are mere fable and legend. Introduction to the Zohar will certainly furnish readers with the necessary tools to understand authentic Kabbalah as it was originally meant to be, as a means to attain the 'Upper Worlds'.

The wisdom of Kabbalah teaches us how to perceive and live in the reality that spreads before us. It is a systematic method that has evolved over thousands of years, nurtured by individuals whose task was to ensure that the true wisdom would be given to those ready to receive it. The Book of Zohar (The Book of Radiance) is an ageless source of wisdom and the basis for all Kabbalistic literature. Since its appearance nearly 2,000 years ago, it has been the primary, and often only, source used by Kabbalists. Written in a unique and metaphorical language. The Book of Zohar enriches our understanding of reality and expands our worldview. However, this text should not be read in an ordinary fashion. We should patiently and repeatedly read and think about each sentence as we try to penetrate the author's feelings. We should read it slowly and try to extract the nuances of the text. Although the text deals with one subject only-how to relate to the Creator-it approaches it from different angles. This allows each of us to find the particular phrase or word that will carry us into the depths of this profound and timeless wisdom.

As the first person to translate the entire 23-volume Zohar from Aramaic into English, Michael Berg is uniquely qualified to convey its timeless wisdom to a wider audience. In these pages, he reveals its secrets as never before. Berg deciphers the encoded words of the ancient sages and explains and organizes them in a way that anyone can comprehend. He interprets the Zohar's most important stories, offering a special meditation for each one. Most importantly, he presents the wisdom from this great book in both Aramaic and English since, according to Kabbalah's greatest sages, The Light of the Creator is embodied in the Zohar's very letters and words, and scanning it in the original language is as important as reading the translation. This unique presentation allows readers to draw on the Zohar's full energy, empowering them to achieve true spiritual transformation, conquer life's greatest challenges, and find new joy and fulfilment.

Please see the Zohar Home Page for ancillary materials, including the publication schedule, press release, Aramaic text, questions, and answers.
