The practical, comforting, honest, and hilarious bestseller for moms-to-be, with more than one and a half million copies in print! Your doctor gives you medical advice. Your mother buys you baby clothes. But who can give you the real skinny when you ’ re pregnant? Your girlfriends, of course—at least, the ones who ’ ve been through the exhilaration and exhaustion, the agony and ecstasy of pregnancy. Four-time delivery room veteran Vicki Iovine talks to you the way only a best friend can—in the book that will go the whole nine months for every mother-to-be. In this revised and updated edition, get the lowdown on all those little things that are too strange or embarrassing to ask, practical tips, and hilarious takes on everything pregnant. What really happens to your body—from morning sickness and gas to eating everything in sight—and what it ’ s like to go from being a babe to having one. The Many Moods of Pregnancy—why you ’ re so irritable/distracted/tired/lightheaded (or at least more than usual). Staying Stylish—You may be pregnant, but you can still be the fashionista you ’ ve always been (or at least you don ’ t have to look like a walking beachball)—wearing the hippest designers and proudly showing off your bump. Pregnancy is Down To A Science—from in vitro fertilization to scheduled c-sections, there are so many options, alternatives, and scientific tests to take that being pregnant can be downright confusing! And much more! For a reassuring voice or just a few good belly laughs, turn to this straight-talking guide on what to really expect when you ’ re expecting.

A revised edition of a best-selling reference features twenty-five-percent new material and the original work's trademark combination of humorous and down-to-earth advice, in a resource that features a wealth of anecdotal tips on everything from maternity clothes and pregnancy sex to birthing options and postpartum recovery. Original. 100,000 first printing.

Your doctor gives you medical advice. Your mother buys you baby clothes. But who can give you the real story when you're pregnant? Your best friends of course - at least the ones who've been through the exhilaration and exhaustion, the agony and ecstasy of pregnancy. Now, four-time delivery-room veteran Vicki Iovine helps you through the next nine months the way only a best friend can. Here is straight talk about those little things that are too embarrassing to ask about, practical tips and hilarious tales on anything pregnant. From learning that you're expecting ('Oh my God, how do I get out of this?') to the day your newborn arrives ('You mean I have to take it home with me?'), Iovine gives you the low-down on- What really happens to your body - from morning sickness and wind to eating everything in sight The many moods of pregnancy - or why you're so irritable/distracted/tired/lightheaded (well, more than you usually are) Staying Stylish - cautionary style tips from your best friend, who really would tell you if your perky new-mum haircut makes you look like a pinhead whale Pregnancy Is Down to A Science - from in-vitro fertilisation to scheduled C-section, the latest technology provides so many options, alternatives, and tests - it can be downright confusing ..

‘ Marie Louise is a dream come true for any parent with her uncanny ability to simplify the most important and complicated questions ’ Emma Bunton, co-founder of Kit and Kin Whether you are planning for a baby, just found out you are pregnant or well into your third trimester, this book will help you to feel confident, informed and inspired about your exciting journey ahead. Through years of work with families, Senior Midwife Marie Louise reveals the key things that will make the biggest, most positive difference to you and your baby as you navigate these life-changing months. As well as this, Marie Louise is renowned for bringing complex science to life. You ’ ll discover fascinating facts that underpin everything you and your baby will go through, including - - How your nervous system is synced with your baby and why baby already knows a lot about you when they are born - The unique process your baby goes through to pass through the birth canal and how you work together in labour - Incredible facts about breast milk Packed with the most up-to-date findings and expert insights, you'll find everything you need to prepare for motherhood and, most importantly, understand and appreciate just how amazing you and your baby both are!

No Marketing Blurp

Filled with straight talk from a four-time delivery room veteran, this book sees readers through the most exhilarating and exhausting time of their lives, one day at a time. An entire year's worth of invaluable--often hilarious--advice on everything from stretch marks, morning sickness, and maternity underwear to bladder control, pregnancy insanity, and postpartum dementia is included.

You've survived the battlefields of pregnancy and childbirth, baby-and toddler-hood - now what?

“ A smart, approachable guide packed with practical advice for parents who want a science-backed, individualized approach to pregnancy. ” —Linda Avey, Co-founder of 23andMe 2020 National Parenting Award Winner Feeling overwhelmed? Confused by conflicting advice? Bumpin ’ will radically transform your pregnancy journey to one of confidence and optimism. With over a decade of experience advising women ’ s healthcare and technology companies, Leslie Schrock distills cutting-edge research into your most comprehensive pregnancy guide—from conception through the newborn months. Based on the latest clinical evidence and practical advice from top experts, Bumpin ’ enables you to make the best decisions for your unique family. With a look at the science, it tackles every pregnancy FAQ and topics like the truth about cleaning up your cosmetics, nutrition, epidurals, and activity; and the practical, like putting together a baby budget and navigating work. Bumpin ’ also takes you all the way through the postpartum period because taking your baby home and recovering brings unexpected physical, mental, and life changes that are too often overlooked for you and your partner. Inside Bumpin ’ you ’ ll find: -A trimester-by-trimester overview from trimester zero (conception) through the postpartum period and return to work -The truth about age and fertility and how to manage any issues that arise -Research on topics like vaccinations, breastfeeding, and exercise -The science behind your physical changes, leaks, sweats, and every other unexpected pregnancy symptom – and how to manage them to enhance your long term health -Birth preferences and preparing for unpredictable changes -The challenges of navigating parental leave and returning to work -Unique advice for partners -Budgeting, finance tips, baby registry, and hospital checklists Every pregnancy is unique and often unpredictable. For Leslie, this meant handling curveballs like miscarriage and later a birth that didn ’ t go according to plan. She turned her personal journey into this book, written while she was pregnant, with the help of a wide network of experts she consulted along the way, including doulas, ob-gyns, midwives, therapists, prenatal trainers, and nutritionists. Warm, funny, and non-judgemental, Bumpin ’ will leave you feeling prepared and ready to tackle anything that comes your way. A portion of proceeds will be donated to Every Mother Counts and National Birth Equity Collaborative to support maternal and child health.

Walks expectant parents through the entire nine-month process of giving birth, with tips on choosing delivery options, what to eat and what to wear, exercise, how to deal with the emotional roller coaster, and its effects on the couple's relationship, with new information on medical practices, genetic testing, conception, and more. Original.

Nurture is the only all-in-one pregnancy and birthing book for modern mothers-to-be and their partners who want a more integrative approach. Author Erica Chidi Cohen has assisted countless births and helped hundreds of families ease into their new roles through her work as a doula. This beautiful and comprehensive pregnancy companion covers everything from the beginning months of pregnancy to the baby's first weeks. Including supportive and encouraging self-care and mindfulness exercises along with more than 40 charming and helpful illustrations, here's everything a modern mama would want to know: fetal development, nutrition support for every month of pregnancy, making birth choices, the basics of breastfeeding, and more.
