The Pale King is an unfinished novel by David Foster Wallace, published posthumously on April 15, 2011. It was planned as Wallace's third novel, and the first since *Infinite Jest* in 1996, but it was not completed at the time of his death.

The Pale King - Wikipedia

The Pale King remained unfinished at the time of David Foster Wallace's death, but it is a deeply compelling and satisfying novel, hilarious and fearless and as original as anything Wallace ever undertook. It grapples directly with ultimate questions -- questions of life's meaning and of the value of work and society -- through characters imagined with the interior force and generosity that were Wallace's unique gifts.
