Based on True Events of a DEA Agent and Two Private Investigators investigating drugs and corruption at the Mexican border. It's timely and relevant to today's world.

Combining diverse sociological and philosophical theories, this title offers a comparative analysis of the witch hunts of the early modern era. It contains an analyses of the role of apocalyptic crises such as plague, war and other hardship.

Originally published: New York: Hawthorn Books, 1958, in series: The twentieth century encyclopedia of Catholicism; v. 21. Section 2, The basic truths.

He lives in secret service to the Crown—a man of duty, deception, and an undeniable attraction to a woman who threatens to tear his whole world apart. They call him the Devil of Dorset. He stands alone, a man of undeniable power. Moving in and out of shadows, back alleys and ballrooms, he is unstoppable and one of the Crown ’ s most dangerous weapons. However, when he sets his sights on the undeniably beautiful Countess of Mont Claire, Francesca Cavendish, he doesn ’ t realize that he has met a match like no other. TRUE LOVE WEARS NO DISGUISE Francesca is a countess by day and stalks her prey—those responsible for the death of her family—by night. What she does not expect is to be thrown into the path of the devil himself, the Earl of Devlin. She has secrets of her own and he seems determined to lay them bare. Can her heart survive finding the love of her life and losing him when all is revealed? “ Romantic, lush, and suspenseful. ” —New York Times bestselling author Suzanne Enoch

Paths to Satan: A Guide to Contemporary Satanism, guides non-Satanists and those considering Satanism through varying types of Satanic practice and beliefs. This book, written by a practicing Satanist, can be used as a starting point for Satanists to help open a dialogue or educate their family and friends about their spiritual path. So many books of this nature are unnecessarily verbose or are written by Christians or Satanists attempting to push their own agenda. McGreggor is concise, practical, and provides an open viewpoint from inside Satanism itself without the speculation and conjecture found in similar books written from a Christian perspective.

In today's culture of scientific enlightenment, many consider belief in demonic possession and exorcism to be superstitious remnants of the Dark Ages. Even many Christians, contrary to the clear words of Jesus in the Gospel, scoff at the notion that the Devil and demons really exist. Is demonic possession real? Are believers really in any danger from Satan and his crafty minions? What is the truth about exorcism? Written by one of the Church's foremost experts on the topic, Interview with an Exorcist is based on Fr. Jose Antonio Fortea's years of working as an exorcist, his extensive investigations of cases of suspected possessions, and his attendance at hundreds of exorcisms.

Country, Lithub From journalist and New York Times bestselling author Charles Blow comes a powerful manifesto and call to action for Black Americans to amass political power and fight white supremacy. Race, as we have come to understand it, is a fiction; but, racism, as we have come to live it, is a fact. The point here is not to impose a new racial hierarchy, but to remove an existing one. After centuries of waiting for white majorities to overturn white supremacy, it seems to me that it has fallen to Black people to do it themselves. Acclaimed columnist and author Charles Blow never wanted to write a “ race book. ” But as violence against Black people—both physical and psychological—seemed only to increase in recent years, culminating in the historic pandemic and protests of the summer of 2020, he felt compelled to write a new story for Black Americans. He envisioned a succinct, counterintuitive, and impassioned corrective to the myths that have for too long governed our thinking about race and geography in America. Drawing on both political observations and personal experience as a Black son of the South, Charles set out to offer a call to action by which Black people can finally achieve equality, on their own terms. So what will it take to make lasting change when small steps have so frequently failed? It ’ s going to take an unprecedented shift in power. *The Devil You Know* is a groundbreaking manifesto, proposing nothing short of the most audacious power play by Black people in the history of this country. This book is a grand exhortation to generations of a people, offering a road map to true and lasting freedom.

Stephen Batchelor's seminal work on humanity's struggle between good and evil In the national bestseller *Living with the Devil*, Batchelor traces the trajectory from the words of the Buddha and Christ, through the writings of Shantideva, Milton, and Pascal, to the poetry of Baudelaire, the fiction of Kafka, and the findings of modern physics and evolutionary biology to examine who we really are, and to rest in the uncertainty that we may never know. Like his previous bestseller, *Buddhism without Beliefs*, *Living with the Devil* is also an introduction to Buddhism that encourages readers to nourish their "buddha nature" and make peace with the devils that haunt human life. He tells a poetic and provocative tale about living with life's contradictions that will challenge you to live your life as an existence imbued with purpose, freedom, and compassion—rather than habitual self-interest and fear.

Originally written in 1938 but never published due to its controversial nature, an insightful guide reveals the seven principles of good that will allow anyone to triumph over the obstacles that must be faced in reaching personal goals.
