We first meet Katherine as a five-year-old girl with her parents who are being attacked by the Moors. The novel follows her through her childhood in Spain to England and her marriages to Henry and Arthur. The novel mostly focuses on her desperation to get pregnant and her fear that she is losing her husband to a nobody.

From the New York Times bestselling author of The Last Wife of Henry VIII comes a powerful and moving novel about Catherine of Aragon, Henry VIII's first wife and mother of Mary I. When young Catherine of Aragon, proud daughter of King Ferdinand and Queen Isabella, is sent to England to marry the weak Prince Arthur, she is unprepared for all that awaits her: early widowhood, the challenge of warfare with the invading Scots, and the ultimately futile attempt to provide the realm with a prince to secure the succession. She marries Arthur's energetic, athletic brother Henry, only to encounter fresh obstacles, chief among them Henry's infatuation with the alluring but wayward Anne Boleyn. In The Spanish Queen, bestselling novelist Carolly Erickson allows the strong-willed, redoubtable Queen Catherine to tell her own story—a tale that carries her from the scented gardens of Grenada to the craggy mountains of Wales to the conflict-ridden Tudor court. Surrounded by strong partisans among the English, and with the might of Spanish and imperial arms to defend her, Catherine soldiers on, until her union with King Henry is severed and she finds herself discarded—and tempted to take the most daring step of her life. Carolly Erickson's historical entertainments continue to succeed in creating a unique blend of historical authenticity and page-turning drama.

An evocative historical novel chronicles the life of Henry VIII's first wife, Katharine of Aragon, from her early days in England after being sent from Spain to marry Henry's sickly older brother, through her subsequent marriage to Henry, to the divorce that ignited a storm of controversy that changed history. Reprint. 30,000 first printing.

Juana of Castile, the last queen of Spanish blood to inherit her country's throne, has been for centuries an enigmatic figure shrouded in lurid myth. Was she the bereft widow of legend who was driven mad by her loss, or has history misjudged a woman who was ahead of her time? In his stunning new novel, C. W. Gortner challenges the myths about Queen Juana, unraveling the mystery surrounding her to reveal a brave, determined woman we can only now begin to fully understand. The third child of Queen Isabel and King Ferdinand of Spain, Juana is born amid her parents' ruthless struggle to unify their kingdom, bearing witness to the fall of Granada and Columbus's discoveries. At the age of sixteen, she is sent to wed Philip, the archduke of Flanders, as part of her parents' strategy to strengthen Spain, just as her youngest sister, Catherine of Aragon, is sent to England to become the first wife of Henry VIII. Juana finds unexpected love and passion with her handsome young husband, the sole heir to the Habsburg Empire. At first she is content with her children and her life in Flanders. But when tragedy strikes and she inherits the Spanish throne, Juana finds herself plunged into a battle for power against her husband that grows to involve the major monarchs of Europe. Besieged by foes on all sides, her intelligence and pride used as weapons against her, Juana vows to secure her crown and save Spain from ruin, even if it could cost her everything. With brilliant, lyrical prose, novelist and historian C. W. Gortner conjures Juana through her own words, taking the reader from the somber majesty of Spain to the glittering and lethal courts of Flanders, France, and Tudor England. The Last Queen brings to life all the grandeur and drama of an incomparable era, and the singular humanity of this courageous, passionate princess whose fight to claim her birthright captivated the world. From the Hardcover edition.

A fictional portrait of Henry VIII's first wife, Katherine of Aragon, follows her through her youthful marriage to Henry's older brother, Arthur, her widowhood, her marriage to Henry, and the divorce that led to Henry's marriage to Anne Boleyn.

The image of Catherine of Aragon has always suffered in comparison to the heir-providing Jane Seymour or the vivacious eroticism of Anne Boleyn. But when Henry VIII married Catherine, she was an auburn-haired beauty in her twenties with a passion she had inherited from her parents, Isabella and Ferdinand, the joint-rulers of Spain who had driven the Moors from their country.This daughter of conquistadors showed the same steel and sense of command when organising the defeat of the Scots at the Battle of Flodden and Henry was to learn, to his cost, that he had not met a tougher opponent on or off the battlefield when he tried to divorce her.Henry VIII introduced four remarkable women into the tumultuous flow of England's history: Catherine of Aragon and her daughter 'Bloody' Queen Mary; and Anne Boleyn and her daughter, the Virgin Queen Elizabeth. "From this contest, between two mothers and two daughters, was born the religious passion and violence that inflamed England for centuries," says David Starkey. Reformation, revolution and Tudor history would all have been vastly different without Catherine of Aragon.Giles Tremlett's new biography is the first in more than four decades to be dedicated entirely and uniquely to the tenacious woman whose marriage lasted twice as long as those of Henry's five other wives put together. It draws on fresh material from Spain to trace the dramatic events of her life through Catherine of Aragon's own eyes.'Enthralling biography . . . this lively and richly detailed book . . . describing the queen's fierce battle to retain her crown, Tremlett brilliantly breathes life into the shadowy figure of a stubborn and finally heroic woman.' Daily Telegraph

"A masterwork by a skilled craftsman . . . Make a vow to read this book."—New York Journal of Books Isabella is barely a teenager when she becomes an unwitting pawn in a plot to dethrone her half brother, King Enrique. Suspected of treason and held captive, she treads a perilous path, torn between loyalties, until at age seventeen she suddenly finds herself heiress of Castile, the largest kingdom in Spain. Plunged into a deadly conflict to secure her crown, she is determined to wed the one man she loves yet who is forbidden to her—Fernando, prince of Aragón. As they unite their two realms under "one crown, one country, one faith," Isabella and Fernando face an impoverished Spain beset by enemies. With the future of her throne at stake, Isabella resists the zealous demands of the inquisitor Torquemada even as she is seduced by the dreams of an enigmatic navigator named Columbus. But when the Moors of the southern domain of Granada declare war, a violent, treacherous battle against an ancient adversary erupts, one that will test all of Isabella's resolve, her courage, and her tenacious belief in her destiny. Praise for The Queen's Vow "A beautifully crafted piece of historical fiction . . . Gortner's vivid details blend with his deeply intensive research to re-create Isabella and Castile in a way that the reader will find compelling and immersive, bringing not just the Queen but the whole nation to life."—RT Book Reviews "A fascinating story . . . Through his creative and spellbinding storytelling, Gortner's readers come to know Isabella intimately in mind, heart and body as she lives through a tumultuous time, her intense longing to be the determiner of her own unique destiny."—Wichita Falls Times Record News "A novel of triumph as Isabella vanquishes her enemies one by one . . . [She is] a very human and appealing character."—The Roanoke Times "Politically charged, passionate . . . [a] well-researched, intriguing historical."—Bookreporter

"Young Katherine of Aragon, daughter of Spain's powerful monarchs Ferdinand and Isabella, was an exquisite prize in the royal marriage market. Golden-haired, sixteen years old, she was sent to England to marry the future king, Arthur, Prince of Wales. But when Arthur died a few months after their wedding, Katherine's bright future was suddenly eclipsed. It took his younger brother Henry VIII eight long years to do the honorable thing and marry her. Their union was briefly happy until Katherine failed to bear a son, and Anne Boleyn caught Henry's eye."--

From New York Times bestselling author of The Last Wife of Henry VIII, a novel about Catherine Howard, wife of Henry's later years Amid the turbulent, faction-ridden late reign of the fearsome Henry, eager high-spirited Catherine Howard caught the king's eye—but not before she had been the sensual plaything of at least three other men. Ignorant of her past, seeing only her youthful exuberance and believing that she could make him happy, he married her—only to discover, too late, that her heart belonged to his gentleman usher Tom Culpeper. As the net of court intrigue tightens around her, and with the Tudor succession yet again in peril because of Prince Edward's severe illness, Queen Catherine struggles to give the angry, bloated and impotent king a son. But when her relations turn against her, she finds herself doomed, just as her cousin Anne Boleyn was, to face the executioner. The Unfaithful Queen lays bare the dark underbelly of the Tudor court, with its sugared rivalries and bitter struggles for power, where a girl of noble family could find herself sent to labor among the turnspits in the kitchens or—should fortune favor her—be exalted to the throne.

Told through the eyes of Estrella de Montoya, Catherine's companion, this powerful novel details the marriage of Catherine of Aragon, a Spanish princess believing she was to wed a knight in shining armor, to King Henry VIII, a cruel monarch whom she found the courage to defy. Reprint.

Drawing on new scholarship, the Pulitzer Prize-winning author of The Woman Behind the New Deal presents a biography of Isabella of Castile, the controversial Queen of Spain who sponsored Christopher Columbus' journey to the New World, established the Spanish Inquisition and became one of the most influential female rulers in history. Simultaneous.
