Ever since a cosmic phone call led five literal young goddesses — Belldandy, Urd, Skuld, and, like occasional vowels, Peorth and Lind — to live in college student Keiichi's residence, his personal life has been turned upside down, sideways, and sometimes even into strange dimensions! It's back to business when Chihiro and

motorcycle. This mechanization process gathered pace during the interwar years and in particular for the military motorcycle between 1925 and 1939. By the outbreak of the Second World War the motorcycle had become an important part of the military inventory and deemed 'suitable for WD (War Department)
