They call me Zen-man, the cool-headed one, the protector. I keep an eye out for everyone, take them in, find them homes. They think I'm the calm and collected one, the self-assured one, the one who knows the way. They think they see me. They think they know me. But they're all wrong, because inside I'm broken. I have a jagged hole in my soul I can't fix, a festering blackness. I've been to the pits of hell, and nobody comes back unscathed. Life in foster care roughed me up, and now a thread is all that's holding me together. So I sleep around and never date, keeping chicks away. One day I'll snap, and when I do, there's no telling who I might take down with me. All the same, there's this one girl who won't be scared away. Dakota. She's hot, and I won't deny I want her. But she keeps coming back, pushing me, trying to get me to talk, to open up to her. She has no idea she's playing with fire. When the demons come, she'd better be far away from me, just like everyone else. Standalone novel. No cliffhanger. *A new adult contemporary sexy romance with suspense, bad boys and secrets from the past*

shut out my past. And Erin. Four years since I last saw her, since I heard her voice and held her in my arms. I've spent my time forging a path from woman to woman, from bed to bed, trying to find an answer. But I think I've lost my way. There's no light at the end of the dark. No big surprise. I carry the dark inside me. I'm a bastard - branded as such from the start. I never give my phone number and address. I take my pleasure, and don't come back for seconds. No commitments, no promises and no happy endings. Yeah, I'm a bastard down to the bone and I don't give a damn. But now I'm back in my birth town, the town I fled at eighteen - back to make amends to the brother I abandoned and watch from afar the only girl I've ever wanted. Hope isn't a currency I can afford. I learned that lesson long ago. Yet when she looks at me and says my name, I can't help but hope. Standalone novel. No cliffhanger. *A new adult contemporary sexy romance with suspense, bad boys and family secrets*

THE FIRST THREE NOVELS of the New York Times bestselling Inked Brotherhood series in one bundle: ASHER □ TYLER □ ZANE INKED BROTHERHOOD SERIES Five boys brought together by fate. Five young men trying to overcome their troubled pasts. Five tattoos marking them as a brotherhood built on tragedy. Will they find understanding and rise above the pain? Five girls tied by friendship. Five young women fighting their own demons. Five lives laced with sorrow. Will they be strong enough to save the men they love and make them happy? The series is composed of five full-length, interconnected and yet stand-alone novels: Asher, Tyler, Zane, Dylan and Rafe.

USA TODAY and NEW YORK TIMES BESTSELLER Almost three years ago, a car crash took Audrey's dad and scarred her for life. Now eighteen, she returns to her hometown for the first time after the accident. She's here to start again. Go to college and have fun. Make new friends. Get over the past. But the past won't let go. Asher is here-her first kiss, her first heartbreak. More handsome and distant than ever, he's still the boy who used to be her best friend. That was before he changed into someone she hardly knows anymore-the boy who started getting into fights and gave her the cold shoulder for years. Asher isn't what she needs. In fact, she hates him and should try her best to keep away from him. Yet her body doesn't seem to care about how she feels, and maybe, just maybe this time her body got it right. Not that she has much of a choice. Asher draws her like a bright flame, and if she isn't careful, she'll burn. And that may not be such a bad thing after all... Standalone novel. No cliffhanger. *A new adult contemporary sexy romance with suspense, bad boys and illegal MMA fighters*

This is the last book in the bestselling series Inked Brotherhood. Follow the five boys and their girls as they get married, have babies... and save Zane from his demons. Five brothers in all but blood, five girls who love them, emerging from a past fraught with darkness and danger. There are wedding bells, and baby cries and laughter all around. They have found their happy ending. Only one cloud is marring these blue skies, and it has to do with Zane, the rock of the Brotherhood. Nobody knows exactly what is wrong, but here's the thing, folks: There are five of us, and we stand all for one and one for all. If you mess with one of us, you mess with all of us. We protect our own. And Zane is more than one of our own. He's our leader. He's our steady center. If our center shatters, we all shatter. This Brotherhood is strong. We're gonna find out what troubles him and put it to rest, once and for all, bury it, stomp on it, crush it until it's fixed or gone. Time we celebrated our happy ending. Warning: Inked Babies is NOT a standalone. You need to read the Inked Brotherhood series first to follow the events in this book. This is, however, a full-length novel with a happy ending. Also a warning for some dark themes. If you have read ZANE (Inked Brotherhood #3) then you know what I mean. Enjoy!

in the Inked Brotherhood series which began with ASHER. His name is Rafaele Vestri, Rafe to his friends. He's tall, strong, handsome. Distant. He often comes to the coffee shop where I work, but we don't talk much. He looks at me, though. Stares at me, his gaze heated, and I can't help but stare back. I want him, I won't deny it. I've never seen anyone that beautiful, anyone that powerful, in my life. But he's growing more withdrawn by the day. Something's up, and he won't tell. I know about his past—the murder of his family when he was fifteen. I can imagine how much it must have cost him. So much violence contained in that strong body, waiting to be unleashed. What is he seeking? What is he training so hard for? Why is he looking at me like he's dying to touch me, but won't dare? Even as I try to stop thinking about him, get interested in other boys, I realize I can't. I'm caught, body and soul, just like that. And I tell myself, Megan, girl— What have you gotten yourself into this time? Standalone novel. No cliffhanger.

Joel and Jethro. Roommates. Total hunks. Inseparable friends. Hot. Meet my fantasy boyfriends. Aren't they just the cutest thing? I know, right? They totally are. They are hot, too hot for a quiet—and obsessed with them—girl working in a bookshop. That'd be me, by the way. There's also the tiny problem of Joel wanting another girl. And as for Jethro, well—he doesn't do relationships. So it's fine to crush on them. And write a serial story on my blog in which we do crazy things. All three of us. Together. Whew. I mean, it's okay. It's perfectly safe. They'll never even know I exist, much less find out about my blog and my secret fantasy about them. Right? Yeah, that's what I thought, too.

What if you were in love not just with one, not just with two, but with three hot guys? And what if they wanted you back? There are three of them. Three boys. We're friends. Neighbors. Our lives are linked through disaster, fear and pain. I love them all. Not sure I can live without them. Can we just stay friends? Can we ignore the desire flaring when we're around each other? Can I kiss one and not the other? I can't choose. Don't want to choose. And I'm not sure they can, either. This story will either end up in heartache, or as any story should: in a happy ending. Love is not a road. It's a country. A sprawling galaxy. Love has no compass. No rules. No limits. Love is a universe. Lose yourself in it.

Only my heart tells me there's good inside Jarett. That I could save him. Then again, what happens to gullible girls who climb into bed with the big bad wolf? Right.
